

Congratulations. You've just been elected Most Likely to Catch the Flu.

Being in high school means being at a higher risk of exposure to the flu virus.

So get your seasonal and H1N1 flu vaccines right now. They're a smart course of action. And your best shots at staying healthy.

For more information, ask your health care provider or pharmacist, call 2-1-1 or visit www.FightTheFluLA.com.

A message from the Louisiana Department of Health and Hospitals.
