I. AUTHORITY:

Deputy Secretary of Youth Services (YS) as contained in La. R.S. 36:405. Deviation from this policy must be approved by the Deputy Secretary.

II. PURPOSE:

To set forth rules and procedures to ensure compliance with the Louisiana State Civil Service (SCS) “Performance Evaluation System” (PES).

III. APPLICABILITY:

This policy shall be applicable to all classified employees of YS, and unclassified employees who supervise classified employees.

IV. DEFINITIONS:

Agency Reviewer – An employee designated by the Appointing Authority, outside of the chain of command, responsible for reviewing official performance evaluations. The reviewer shall not be the Evaluation Supervisor or the Second Level Evaluator.

Appointing Authority – The appointing authority of YS is the Deputy Secretary.

Evaluating Supervisor – The immediate supervisor shall be the Evaluating Supervisor unless otherwise designated by the appropriate Unit Head or the Appointing Authority. The immediate supervisor is generally in the best position to observe and document the employee’s performance.

Performance Adjustment - An adjustment to individual pay rate based on performance or some other individual equity basis. Unless extraordinary circumstances occur (i.e. budget constraints), an employee who is in active status as of June 30 of the performance evaluation year becomes eligible for and may be granted a performance adjustment, provided that the Appointing Authority has determined the employee's performance merits such an adjustment. The amount of each performance adjustment shall be four percent (4%) of the individual's pay rate, not to exceed the maximum pay range established by SCS for the employee's job title.

The effective date of a Performance Adjustment is October 1st, of each year, unless budgetary constraints prevent the implementation of same.

Performance Evaluation - The official overall annual evaluation of the performance of an employee, measured against the performance plan. The standard evaluation period is the State fiscal year, i.e. July 1 to June 30th.

An employee shall be evaluated as follows:

- **Exceptional:** Work and behavior consistently exceed the performance criteria.
- **Successful:** Work and behavior meet the performance criteria.
- **Needs Improvement/Unsuccessful:** Work and/or behavior do not meet the performance criteria.

Performance Expectations - Information which clearly communicates to the employee what conditions or results constitute successful work performance.

Performance Plan - The document that records the work tasks, work behaviors expected of the employee. Work tasks and work behaviors are established by the Evaluating Supervisor, with the approval of the Second Level Evaluator, based on the employee's role in fulfilling YS' mission and goals.

Performance Planning Session - The official annual event during which the Evaluating Supervisor discusses with the employee the factors upon which the employee shall be evaluated, and the performance that shall be expected during the coming evaluation period.

Second Level Evaluator – The individual designated by the Appointing Authority to administer the PES in accordance with Chapter 10 of the SCS rules and YS policy. The Second Level Evaluator shall be the Unit Head/designee. (Exception: Classified positions that report to an unclassified Executive Director or Agency Head are not required to have a Second Level Evaluator approval on their official PES planning or evaluation.)

Unit Head – For purposes of this policy, Unit Head means the Deputy Secretary, Assistant Secretary, Undersecretary, Chief of Operations, General Counsel, Regional Directors, Facility Directors and Regional Managers.

V. POLICY:

It is the Deputy Secretary's policy to utilize the PES which complies with Chapter 10 of the SCS rules, and which consists of the following components:

- A. A performance plan that lists the work task and work behaviors on which the employee's overall performance shall be evaluated throughout the year;
- B. A planning session at which the Evaluating Supervisor and the employee discuss the performance plan;
- C. A standard planning and evaluation form;
- D. A three (3) level evaluation system (unless there is an exception for a Second Level Evaluator as noted in Section IX below); and
- E. A PES planning and evaluation instruction manual accessible to all employees through the SCS website at: <http://www.civilservice.louisiana.gov/Divisions/EmployeeRelations/pes.aspx>.

Evaluating Supervisors shall effectively communicate to employees the work they are expected to accomplish, the job duties that they are charged with, how those duties are linked to YS mission and goals, what standards they are expected to meet in work performance and behavior on the job, and how excessive leave usage and/or absenteeism will be monitored, and how such leave usage/absenteeism may affect a merit increase.

All classified employees shall be evaluated by appropriate supervisory personnel in a timely fashion within the evaluation period of July 1 – August 31 of each year. Written comments to support any recommendation or evaluation are required.

As noted below, sample PES forms are attached to this policy, and are also available on the SCS website at: <http://www.civilservice.louisiana.gov>.

VI. PROCEDURES:

A. Performance Plan

- 1. A Performance Planning Session is required for each classified employee as follows:
 - a. For all **new employees**, a Performance Planning Session must be conducted within 90 days of hire.
 - b. For **all employees**, a yearly planning session must be conducted July 1st through September 30th, of each year.

- c. For employees who move permanently into a position having a different position number with significantly different duties, **a new planning session must be conducted within 90 days** of transferring into the new position.
 2. A Performance Planning Session **may be conducted** when:
 - a. An employee gets a new Evaluating Supervisor;
 - b. The Evaluating Supervisor deems that a performance planning session is appropriate; or
 - c. Planning expectations may be revised during the performance year. Any changes must be initialed and dated by both the Evaluating Supervisor and the employee.
 3. Steps on How to Conduct a PES Planning Session:
 - a. Step #1 (Civil Service Rule No. 10.2):

The Evaluating Supervisor shall prepare a performance plan, using the “PES Planning and Evaluation Form” (see attached sample revised 4/2014) at the beginning of each evaluation period, detailing the work tasks, behavior standards on which the employee’s overall performance shall be evaluated, and leave usage/absenteeism.
 - b. Step #2 (Civil Service Rule No. 10.3)

The Evaluating Supervisor shall submit the performance plan to the Second Level Evaluator for assessment and approval **prior** to conducting the planning session with the employee to discuss the plan.
 - c. Step #3

The employee signs and dates the “PES Planning and Evaluation Form” certifying that the Evaluating Supervisor conducted the Planning Session.
 4. Employee Planning Sessions:
 - a. During the planning session, the Evaluating Supervisor shall present the “PES Planning and Evaluation Form” to the employee, discuss the performance work tasks and behavior standards on which the employee shall be evaluated, and expected performance during the evaluation period, and how leave usage and/or absenteeism may affect a merit increase.

- b. The performance plan is then signed and dated by both the Evaluating Supervisor and employee.
- c. The original, signed performance plan shall be forwarded to Public Safety Services (PSS) Human Resources (HR). A copy of the documented performance plan shall be maintained in the Evaluating Supervisor's employee productivity file, and a copy.
- d. Should the employee decline to sign the performance plan, the Evaluating Supervisor shall note this on the form and record the date the planning session occurred. An employee's refusal to sign the form shall not prevent the performance plan from becoming official.

B. How to Conduct a Performance Evaluation

The PES requires that performance evaluations be conducted each fiscal year with official evaluations rendered no later than August 31st. The evaluation period for all employees is July 1-August 31st. Each new evaluation year shall begin no later than September 30th of each year.

- 1. All classified employees shall be evaluated on their overall performance based on work tasks, behavior standards, and leave usage and/or absenteeism, as determined by the Evaluating Supervisor and noted on the performance evaluation form.

An Evaluating Supervisor who fails to administer the PES in accordance with SCS rules shall not be eligible for a performance adjustment for that year, regardless of the Evaluating Supervisor's own rating.

A Second Level Evaluator who fails to administer the PES in accordance with SCS rules shall not be eligible for a performance adjustment for that year, regardless of the Second Level Evaluator's own rating.

Further, all supervisory employees shall be evaluated on their demonstrated capacity for supervision using the following expectation: "Use good communication, documentation, observation and assessment skills to fairly plan and accurately evaluate the performance of each employee supervised, following all applicable SCS rules."

- 2. To create an official performance evaluation, the Evaluating Supervisor shall do the following:
 - a. Complete a performance evaluation form after June 30th of the evaluation year.

- b. Provide documentation to support a finding of “Exceptional”, “Successful”, and “Needs Improvement/Unsuccessful”.
 - c. Submit the proposed performance evaluation to the Second Level Evaluator for approval and signature prior to discussion with the employee.
 - d. Discuss the performance evaluation with the employee in a private meeting where both the employee and the Evaluating Supervisor’s signature and date shall be obtained.
 - e. Provide the employee with a copy of the performance evaluation with the overall evaluation noted.
 - f. Forward the original, signed “PES Planning and Evaluation Form” to the PSS/HR office.
 - g. When an employee is not available, the performance evaluation shall be considered complete when it has been mailed to the most recent address provided by the employee on or before August 31st, as evidenced by official proof of mailing. The official proof of mailing shall be forwarded to PSS/HR for filing in the employee’s personnel file.
 - h. Should the employee decline to sign the performance evaluation, the employee shall check the box under “Employment Statement” on Page 2 of the “PES Planning and Evaluation Form” stating that the employee decided not to sign the form, but acknowledged that a copy of the evaluation was received and that the employee's failure to sign would not prohibit the evaluation from becoming official for the performance year.
 - i. A performance evaluation becomes official when the employee receives a copy.
3. An evaluating supervisor may elect to assign an employee who worked less than three (3) calendar months within the performance evaluation year an overall evaluation of “Not Evaluated”. If all requirements below are met, an overall evaluation of “Not Evaluated” shall have the same effect as an evaluation of “Successful”.
- a. The employee is active as of June 30th, the end of the performance year.
 - b. The employee has worked less than three (3) months within the performance year.
 - c. The Deputy Secretary determines that not enough time has elapsed to create an evaluation for the employee.

4. When an employee does not receive a performance evaluation, the evaluation is untimely, or the evaluation contains some other technical violation of SCS rules, the performance of an employee shall be designated as “Unrated”. For the employee, an “Unrated” designation shall have the same effect as an evaluation of “Successful”.
5. Performance Evaluations of “Unrated” shall be indicated on the final overall performance evaluation form by the Evaluating Supervisor or the Second Level Evaluator. An employee shall be notified by the employee’s supervisor when an official overall evaluation of “Unrated” is assigned.
6. Effects of the “Needs Improvement/Unsuccessful” Performance Evaluation.
 - a. An evaluation of “Needs Improvement/Unsuccessful” is not a disciplinary action.
 - b. An employee whose official overall performance evaluation is “Needs Improvement/Unsuccessful” **shall not be:**
 - 1) Eligible for a performance adjustment, a promotion or permanent status, or
 - 2) Eligible to be detailed to a higher level position without prior approval of the SCS Director.
 - c. An employee whose official overall evaluation is “Needs Improvement/Unsuccessful” may be separated or disciplined in accordance with SCS rules applicable to the employee’s status.
 - d. Permanent employees shall have the right to request a review in accordance with SCS Rule Nos. 10.11 and 10.12.
7. Effects of a “Needs Improvement/Unsuccessful” Performance Evaluation and Layoff Avoidance Measures
 - a. Pursuant to SCS Rule No. 17.6, when the Appointing Authority determines that it is necessary not to grant or to reduce performance adjustments in order to avoid or reduce layoffs, employees whose performance adjustments are affected by this measure shall retain their eligibility for such increases for a three-year period. Such eligibility shall be lost if during that period the employee receives an official evaluation of “Needs Improvement/Unsuccessful”.
 - b. Pursuant to SCS Rule No. 17.15, employees who received an evaluation of “Needs Improvement/Unsuccessful” on their most recent PES must be laid off first.

This applies within the unit as defined in the layoff plan. The most recent PES cannot be one that was rendered fewer than 60 days prior to the effective date of the layoff. Regardless if the employee is not in the targeted career field or commuting area, if the employee is in the unit of the layoff, and was given a "Needs Improvement/Unsuccessful" on their most recent PES evaluation, that employee is required to be laid off.

8. Employee Request for an Agency Review of Performance Evaluation
 - a. A permanent employee who receives an overall performance evaluation of "Unrated" or "Needs Improvement/Unsuccessful" may request an official review of the evaluation.
 - b. The Appointing Authority shall designate an Agency Reviewer. The reviewer shall not be the Evaluating Supervisor or the Second Level Evaluator who signed the performance evaluation being reviewed.
 - c. The official overall performance evaluation may only be modified by the Agency Reviewer
 - d. An employee's request for an agency review must be submitted in writing on the "PES Request for Review Form" (see attached sample), and be postmarked or received in the PSS/HR office no later than September 15th of the evaluation year. In the request for review, the employee must explain and provide supporting documentation for the review.
 - e. If the request for review is timely, the Agency Reviewer must review the employee's request, the performance evaluation given, and any supporting documentation provided. The contested performance evaluation shall be individually discussed with the employee and the Evaluating Supervisor.
 - f. The Agency Reviewer shall give the employee, the Evaluating Supervisor and PSS/HR written notice of the results of the review no later than October 15th. Any change in performance evaluation shall be retroactive to July 1st.
 - g. The performance evaluation form, the employee's request for review, the Agency Reviewer decision, supporting documentation attached to the performance evaluation, as well as any documents requested from the employee or Evaluating Supervisor during the review shall be maintained in the employee's official personnel file or other secure performance file maintained with PSS/HR.

9. Employee Request for SCS Director Review of PES Performance Evaluation (pursuant to SCS Rule No. 10.12)
 - a. A permanent employee who receives an overall performance evaluation of “Needs Improvement/Unsuccessful” following an agency review may request to have the performance evaluation file reviewed by the SCS Director/designee. (Refer to Page 2 of the attached “PES Request for Review Form”.)
 - b. A request for review under this rule must be postmarked or received by the SCS Director/designee no later than ten (10) calendar days following the date the employee received the agency review decision. In the request, the employee must explain why the decision of the Agency Reviewer is being contested.
 - c. If the request for review is timely, the SCS Director/designee shall obtain and review the employee’s performance file and may either affirm the overall evaluation or change it to “Unrated”. The decision of the SCS Director/designee shall be final.
 - d. The SCS Director/designee shall provide a written decision to the employee, the Evaluating Supervisor, and the PSS/HR office no later than 30 calendar days following the date the request for review was received.
