Protecting the image of YS/OJJ is crucial to its success.

Therefore, the official use of any social network shall be directed and coordinated by the Deputy Secretary/ designee.

**VI. PROCEDURES:**

**A. Use of Official Social Networks in an Official Capacity**

Each employee is personally responsible for any on-line activity conducted with a YS/OJJ email address, and/or which can be traced back to YS/OJJ's domain, and/or which uses YS/OJJ's assets. The YS/OJJ email address attached to any employee's name implies that the employee is acting on YS/OJJ's behalf. Any on-line social networking activity traceable to the YS/OJJ domain is public and employees shall be held fully responsible for all such activities.
2. **Transparency and Identification:** When participating in any on-line community, an employee shall disclose their identity and affiliation with YS/OJJ. When posting to a blog, an employee shall always use their name of record with YS/OJJ. Employees are prohibited from creating an alias or posting anything anonymously.
