Hello, Everyone:

I know I told you that WUD would return Jan. 9, but I really wanted to take the opportunity to wish everyone in the OJJ family a very happy and safe New Year. Today is New Year's Eve, and many of us will be out and around to celebrate. Please be careful while you are out, and be sure to watch out for other people.

I hope that you all had a wonderful Christmas, and that your New Year's Eve and Day will be joyful as well.

I look forward to working with you all to meet the mission in the new year! OJJ, you rock!

Happy New Year to you and your loved ones.

Sincerely,

"Doc" *Dr. Mary Livers*
