Targeted Inmate/Resident/Detainee Interview	S
58. Enter the total number of TARGETED INMATES/RESIDENTS/DETAINEES who were interviewed:	4
As stated in the PREA Auditor Handbook, the breakdown of targeted interviews is intended to guide auditors in interviewing the appropriate cross-section of inmates/residents/detainees who are the most vulnerable to sexual abuse and sexual harassment. When completing questions regarding targeted inmate/resident/detainee interviews below, remember that an interview with one inmate/resident/detainee may satisfy multiple targeted interview requirements. These questions are asking about the number of interviews conducted using the targeted inmate/ resident/detainee protocols. For example, if an auditor interviews an inmate who has a physical disability, is being held in segregated housing due to risk of sexual victimization, and disclosed prior sexual victimization, that interview would be included in the totals for each of those questions. Therefore, in most cases, the sum of all the following responses to the targeted inmate/resident/detainee interview categories will exceed the total number of targeted inmates/ residents/detainees who were interviewed. If a particular targeted population is not applicable in the audited facility, enter "0".

SITE REVIEW AND DOCUMENTATION	ON SAMPLING
Site Review	
PREA Standard 115.401 (h) states, "The auditor shall have access to, and shall observe, all areas of the audited facilities." In order to meet the requirements in this Standard, the site review portion of the onsite audit must include a thorough examination of the entire facility. The site review is not a casual tour of the facility. It is an active, inquiring process that includes talking with staff and inmates to determine whether, and the extent to which, the audited facility's practices demonstrate compliance with the Standards. Note: As you are conducting the site review, you must document your tests of critical functions, important information gathered through observations, and any issues identified with facility practices. The information you collect through the site review is a crucial part of the evidence you will analyze as part of your compliance determinations and will be needed to complete your audit report, including the Post-Audit Reporting Information.	
84. Did you have access to all areas of the facility?	YesNo

The policy includes definitions of prohibited behaviors regarding sexual abuse and sexual harassment. The policy includes sanctions for those found to have participated in prohibited behaviors. The policy includes a description of agency strategies and responses to reduce and prevent sexual abuse and sexual harassment of residents.

Johnny Robinson's Boys Home has a comprehensive PREA Policy. Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 91, section II. A.1, states JRBH maintains a zero-tolerance policy toward all forms of sexual abuse and sexual harassment applicable zero-tolerance staff, volunteers, visitors and contractors. The policy outlines the facility's approach to preventing, detecting, and responding to such conduct. The policy includes definitions of prohibited behaviors regarding sexual abuse and sexual harassment and includes sanctions for those found to have participated in prohibited behaviors. Johnny Robinson's Boys Home policies address prevention of sexual abuse and sexual harassment through the designation of a PREA Coordinator, supervision and monitoring, criminal background checks, staff training, resident education, PREA posters and educational materials. The policies address detection of sexual abuse and sexual harassment through resident education, staff training, and intake screening for risk of sexual victimization and abusiveness. The policies address responding to sexual abuse and sexual harassment through the various ways of reporting, investigations, disciplinary sanctions for residents and staff, victim advocates, access to emergency medical treatment and crisis intervention services, sexual abuse incident reviews, data collection, and data review for corrective action.

115.311 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency employs or designates an upper-level, agency-wide PREA Coordinator. The PREA Coordinator has sufficient time and authority to develop, implement, and oversee agency efforts to comply with the PREA standards at the facility. The position of the PREA Coordinator is in the agency's organizational structure.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 91, section II. A.2, states JRBH employs a designated upper-level, agency-wide PREA coordinator with sufficient time and authority to develop, implement, and oversee efforts to comply with the PREA standards.

The position of PREA Coordinator is identified in the organizational chart as an upper-level position within the facility. The job description outlines the PREA Coordinator's responsibilities. The PREA Coordinator reports to the Facility Administrator. The PREA Coordinator has demonstrated he has sufficient time and authority to accomplish his PREA related responsibilities. The PREA Coordinator worked with the Louisiana State Police for 35 years as an officer, captain, and investigator. His knowledge and background make him well suited to coordinate the agency's efforts to comply with the PREA standards.

115.311 (c) JRBH is a single facility agency. There is no PREA Compliance Manager.

Conclusion: Based upon the review and analysis of the available evidence, the auditor has determined the agency is fully compliant with this standard requiring a zero-tolerance policy toward sexual abuse and sexual harassment and the designation of a PREA Coordinator. No corrective action is required.

115.312 Contracting with other entities for the confinement of residents

Auditor Overall Determination: Meets Standard

Auditor Discussion

The following evidence was analyzed in making the compliance determination:

Documents:

- 1. Johnny Robinson's Boys Home Pre-Audit Questionnaire (Juvenile Facilities)
- 2. Memorandum: non applicability of contracting with private agencies or other entities for the confinement of residents dated January 10, 2024

Findings (by provision):

- **115.312 (a)** Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency has not entered into or renewed a contract for the confinement of residents since the last PREA audit. All of the above contracts require contractors to adopt and comply with PREA Standards. Since the last PREA audit:
- 1. The number of contracts for the confinement of residents that the agency entered into or renewed with private entities or other government agencies: 0
- 2. The number of above contracts that DID NOT require contractors to adopt and comply with PREA standards: N/A

IRBH does not contract for the confinement of its residents.

115.312 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: All of the above contracts require the agency to monitor the contractor's compliance with PREA Standards. Since the last PREA audit the number of the contracts referenced in 115.312 (a) that DO NOT require the agency to monitor contractor's compliance with PREA Standards: N/A

JRBH does not contract for the confinement of its residents.

Conclusion: Based upon the review and analysis of the available evidence, the auditor has determined the agency is fully compliant with this standard regarding contracting with other entities for the confinement of residents. No corrective action is required.

Interviews:

- 1. Superintendent or Designee (Facility Administrator)
- 2. PREA Coordinator
- 3. Intermediate or Higher-Level Facility Staff

Site Review Observations:

Observations during onsite review of facility

Findings (By Provision):

115.313 (a) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Since the 2017 PREA audit:

- 1. The average daily number of residents: 21
- 2. The average daily number of residents on which the staffing plan was predicated: 22

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 91, section II. C.1.b-I, states JRBH shall make best efforts to comply with a regular staffing plan. In calculating adequate staffing levels and determining the need for video monitoring the following factors will be taken into consideration:

- b. Generally accepted detention, shelter and alternative program practices;
- c. Any judicial findings of inadequacy;
- d. Any inadequacy findings from Federal investigative agencies;
- e. Any inadequacy findings from internal or external oversight bodies;
- f. All components of the physical plant;
- g. The composition of the resident population;
- h. The number and placement of supervisory staff;
- i. Programs occurring on a particular shift;
- j. Any applicable State or local laws, regulations or standards;
- k. The prevalence of substantiated and unsubstantiated incidents of sexual abuse; and
- I. Any other factor that could impact the safety and security of the facility.

The Facility Administrator confirmed Johnny Robinson's Boys Home regularly develops a staffing plan. He confirmed adequate staffing levels to protect residents

against sexual abuse are considered in the plan, video monitoring is part of the plan, and the staffing plan is documented with the annual Staffing Plan Vulnerability Assessment and Staffing Plan Review Meetings. He confirmed all requirements of this provision of the standard are addressed in the staffing plan. He explained how he checks for compliance with the staffing plan. Supervisors conduct unannounced rounds and utilize a video monitoring system.

The auditor reviewed the Johnny Robinson's Boys Home Staffing Plan and observed the plan is inclusive of the standard provision requirements. The evidence shows the facility develops, implements, and documents a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect residents against sexual abuse. The staffing plan is well documented and provides for more than adequate levels of staffing.

115.313 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Each time the staffing plan is not complied with, the facility documents and justifies all deviations from the staffing plan.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 91, section II. C.2, states that in the event that the staffing ratio is unable to be maintained during an exigent circumstance, a written incident report fully documenting deviations from the plan during said exigency shall be turned into the administration no later than one (1) day subsequent to the event and a copy forwarded to the PREA Coordinator.

The Facility Administrator confirmed the facility has not had any deviations from the staffing plan and confirmed the facility would document all instances of non-compliance with the staffing plan using the PREA Exigent Circumstance Reporting Form.

115.313 (c) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility is obligated by law, regulation, or judicial consent decree to maintain staffing ratios of a minimum of 1:8 during resident waking hours and 1:16 during resident sleeping hours. The facility maintains staff ratios of a minimum of 1:6 during resident waking hours. The facility maintains staff ratios of a minimum of 1:12 during resident sleeping hours.

In the past 12 months:

- 1. The number of times the facility deviated from the staffing ratios of 1:8 security staff during resident waking hours: 0
- 2. The number of times the facility deviated from the staffing ratios of 1:16 security staff during resident sleeping hours: 0

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 91, section II. C.1.a, states the Louisiana Department of Children and Families Services' Bureau of Licensing requirements of a staffing ratio of 1:6 during waking hours and 1:12 during resident sleeping hours in accordance with Child Residential Class A Standards. (See La. Admin. Code tit. 67, pt. III, § 7301 et seq.).

The population during the onsite phase of the audit was 23 and the staffing plan is

based on a designed facility capacity of 22. During the onsite audit the auditor observed the staffing ratios to exceed the PREA standard requirements.

The Facility Administrator confirmed the facility is obligated by the Louisiana Department of Children and Families Services' Bureau of Licensing to follow staffing ratios of 1:6 during waking hours and 1:12 during sleeping hours.

PREA Site Review: During the site review, the auditor observed all areas of the facility were compliant with the required staffing ratios.

- **115.313 (d)** Johnny Robinson's Boys Home Pre-Audit Questionnaire response: At least once every year the agency or facility, in collaboration with the PREA Coordinator, reviews the staffing plan to see whether adjustments are needed to:
- 1. The staffing plan;
- 2. Prevailing staffing patterns;
- 3. The deployment of monitoring technology; or
- 4. The allocation of agency or facility resources to commit to the staffing plan to ensure compliance with the staffing plan.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 91, section II. C.2, states the administration, in consultation with the PREA Coordinator, will review the following on an annual basis, or more frequently as otherwise required, to determine whether adjustments are needed to:

- a. The staffing plan established pursuant to this section above;
- b. Prevailing staffing patterns;
- c. The deployment of video monitoring systems and monitoring technologies;
- d. The resources available to commit to ensure adherence to the staffing plan.

The PREA Coordinator confirmed he is part of the facility team that meets regarding assessments of, or adjustments to, the staffing plan for Johnny Robinson's Boys Home. He confirmed the plan is assessed at least annually and documented with the Staffing Plan Vulnerability Assessment.

The auditor reviewed the 2022, 2023, and 2023 staffing plan reviews and observed the reviews are inclusive of the standard provision requirements.

115.313 (e) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility requires that intermediate-level or higher-level staff conduct unannounced rounds to identify and deter staff sexual abuse and sexual harassment. The facility documents unannounced rounds. The unannounced rounds cover all shifts. The facility prohibits staff from alerting other staff of the conduct of such rounds.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 91, section II. C.4, states JRBH shall deter staff sexual abuse and sexual harassment by conducting and documenting unannounced rounds at least twice monthly by either direct care supervisors, PREA Coordinator, or Administrator. There shall be no notification to staff members that these unannounced rounds are occurring, thus prohibiting staff members from notifying other staff, unless such announcement is related to legitimate operational functions of the facility. These rounds will be

conducted on day shifts and night shifts.

The auditor reviewed documented unannounced rounds for the 12-month audit period. The documentation demonstrated the rounds are conducted on both shifts at least twice monthly. An interview with a Direct Care Worker Supervisor confirmed the rounds are conducted as scheduled, documented, and staff are not alerted as to when they are occurring.

Conclusion: Based upon the review and analysis of the available evidence, the auditor has determined the facility exceeds this standard regarding supervision and monitoring. The facility develops, implements, and documents a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect residents against sexual abuse and takes into consideration the 11 criteria listed in provision (a) of the standard. The facility fully complies with the staffing plan and is prepared to document any deviations from the plan. The facility significantly exceeds the required staffing ratios. The state of Louisiana requires 1:6 during waking hours and 1:12 during sleeping hours. Although the facility is non-secure, they follow all aspects of the standard including the provision for conducting unannounced rounds. No corrective action is required.

	Findings (By Provision):

115.315 (a) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The

facility does not conduct cross-gender strip or cross-gender visual body cavity searches of residents.

In the past 12 months:

- 1. The number of cross-gender strip or cross-gender visual body cavity searches of residents: 0
- 2. The number of cross-gender strip or cross-gender visual body cavity searches of residents that did not involve exigent circumstances or were performed by non-medical staff: 0

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 92, section II. D.1, states JRBH prohibits cross-gender strip searches or visual body cavity searches except in exigent circumstances.

115.315 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility does not permit cross-gender pat-down searches of residents, absent exigent circumstances.

In the past 12 months:

- 1. The number of cross-gender pat-down searches of residents: 0
- 2. The number of cross-gender pat-down searches of residents that did not involve exigent circumstance(s): 0

J Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 92, section II. D.2, states JRBH staff shall not conduct cross-gender pat-down searches except in exigent circumstances.

Residents interviewed confirmed no staff of the opposite gender have performed a pat-down search of their body. Staff interviewed confirmed they are restricted from conducting cross-gender pat-down searches. No staff interviewed provided an example of a circumstance that has warranted such a search.

115.315 (c) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Facility policy requires that all cross-gender strip searches, cross-gender visual body cavity searches, and cross-gender pat-down searches be documented and justified.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 92, section II. D.3, states in the event that a cross-gender search is conducted pursuant to emergency circumstances, a written incident report fully documenting the procedure shall be turned into Administration.

The auditor reviewed the Cross-Gender/Transgender/Intersex Searches Form. The auditor observed the form has space for the reporter to explain the exigent circumstance generating the need for a cross-gender strip search, cross-gender visual body cavity search, or cross-gender pat-down search. The form also has "Points to Remember" that reiterate the annual training the staff receive on searches of this manner.

115.315 (d) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility has implemented policies and procedures that enable residents to shower, perform bodily functions, and change clothing without non-medical staff of the

opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks (this includes viewing via video camera). Policies and procedures require staff of the opposite gender to announce their presence when entering a resident housing unit or area where residents are likely to be showering, performing bodily functions, or changing clothing.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 92, section II. D.4, states the facility prohibits cross-gender viewing of residents while showering, changing clothing, and performing bodily functions. Staff of opposite gender are required to announce their presence when entering an area where residents are likely to be showering, performing bodily functions, or changing clothes.

Staff interviews confirmed female staff would announce their presence if they were to enter one of the housing units. They also confirmed residents are able to shower, change clothing, and perform bodily functions without being seen by female staff. Resident interviews confirmed female staff do not work in the housing units, but they would announce their presence if they were to enter one of the housing units. No residents interviewed reported ever having been naked in full view of female staff while showering, changing clothing, and performing bodily functions.

PREA Site Review: During the onsite review the auditor observed no female staff entering the housing units. Signs at the entrance instruct female staff to announce their presence if they were to enter on of the housing units. The auditor observed residents are able to shower, change clothing and perform bodily functions without being seen by staff of either gender. Residents can do so behind a closed door, a frosted shower door, or a shower curtain.

115.315 (e) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility has a policy prohibiting staff from searching or physically examining a transgender or intersex resident for the sole purpose of determining the resident's genital status. Zero (0) such searches occurred in the past 12 months.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 92, section II. D.5, states at no time shall staff conduct a physical examination of transgender or intersex residents solely for the purpose of determining the resident's genital status. If the resident's genital status is unknown, it may be determined during conversations with the resident, by reviewing medical records, or if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner.

Interviews with staff confirmed they are aware of the policy prohibiting them from searching or physically examining a transgender or intersex juvenile for the purpose of determining the juvenile's genital status.

115.315 (f) The percent of all security staff who received training on conducting cross-gender pat-down searches and searches of transgender and intersex residents in a professional and respectful manner, consistent with security needs: 100%

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 92, section II. D.6, states JRBH shall train staff in how to conduct cross-gender pat-down searches, and searches of transgender and intersex residents, in a professional and respectful manner, and in the least intrusive manner possible, consistent with security needs only in exigent circumstances.

The auditor reviewed training materials and staff training records. The auditor observed the facility conducts the training annually using the Cross-Gender and Transgender Pat Searches Training Video, Cross-Gender and Transgender Pat Searches Training Curriculum, and Guidance in Cross-Gender and Transgender Pat Searches developed by The Moss Group, Inc. Training participation is documented with PREA Annual Training Records. The auditor observed 29 staff competed the training in 2023.

Staff interviewed confirmed they have received training on how to conduct crossgender pat down searches and searches of transgender residents in a professional and respectful manner, consistent with security needs.

Conclusion: Based upon the review and analysis of the available evidence, the auditor has determined the facility is compliant with this standard regarding limits to cross-gender viewing and searches. No corrective action is required.

The auditor reviewed the memorandum of understanding between Johnny Robinson's Boys Home and Joellen Freeman dated March 30, 2021, for interpreter services for residents who have speech disabilities or who are deaf or hard of hearing. The auditor successfully tested the facility's process for securing access to the speech pathologist by following instructions posted in the main house. The auditor reviewed Staff PREA training sign-in logs for 2023 and observed the facility provided annual training on PREA-compliant practices for residents with disabilities. Thirty staff received the training. No residents with disabilities were identified during the onsite phase of the audit.

115.316 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency has established procedures to provide residents with limited English proficiency equal opportunity to participate in or benefit from all aspects of the agency's efforts to prevent, detect, and respond to sexual abuse and sexual harassment.

JRBH has memorandums of understanding with Male' Thompson, an Optimal and Black Diamond, MTI and SPOTS interpreter, and with Joellen Freeman, a certified speech language pathologist. JRBH utilizes the International Language Center which is accessible 24/7.

The auditor reviewed the memorandum of understanding between Johnny Robinson's Boys Home and Male' Thompson dated March 30, 2021, for Spanish interpreter services. Additionally, the auditor observed the access information for the International Language Center is posted in the main house. The auditor successfully tested the facility's process for securing an interpreter by following instructions posted in the main house. The auditor observed PREA orientation and education materials and posters are available in Spanish. The auditor reviewed Staff PREA training sign-in logs for 2023 and observed the facility provided annual training on PREA-compliant practices for residents with Limited English Proficiency. Thirty staff received the training. No residents who are limited English proficient were identified during the onsite phase of the audit.

115.316 (c) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Agency policy prohibits use of resident interpreters, resident readers, or other types of resident assistants except in limited circumstances where an extended delay in obtaining an effective interpreter could compromise the resident's safety, the performance of first-response duties under § 115.364, or the investigation of the resident's allegations. The agency or facility documents the limited circumstances in individual cases where resident interpreters, readers, or other types of resident assistants are used.

In the past 12 months, the number of instances where resident interpreters, readers, or other types of resident assistants have been used and it was not the case that an extended delay in obtaining another interpreter could compromise the resident's safety, the performance of first-response duties under § 115.364, or the investigation of the resident's allegations: 0

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 92, section II.E.3, states the use of resident interpreters, resident readers, or other types of resident assistants is prohibited except in limited circumstances, where an extended delay in obtaining an effective interpreter could compromise the resident's safety, the performance of first response duties under 115.364, or the investigation of the resident's allegations. Documents (Corrective Action):

1. Johnny Robinson's Boys Home Prior Institutional Employer Reference Check updated April 23, 2023

Interview:

1. Administrative (Human Resources) Staff

Findings (By Provision):

115.317 (a) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Agency policy prohibits hiring or promoting anyone who may have contact with residents, and prohibits enlisting the services of any contractor who may have contact with residents, who:

- 1. Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997);
- 2. Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or
- 3. Has been civilly or administratively adjudicated to have engaged in the activity described in paragraph (a)(2) of this section.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 93, section II.F.6-7, states all applicants are asked about any prior misconduct involving any sexual activity. In addition, JRBH shall not hire or promote anyone who has been civilly or administratively adjudicated to have been convicted of engaging in or attempted to engage in sexual activity by any means. Also, JRBH does not hire anyone who has engaged in sexual abuse in a prison, jail, community confinement

facility, nor anyone, who has used or attempted to use force in the community to engage in sexual abuse.

The auditor observed the Johnny Robinson's Boys Home PREA Disclosure Form for Hiring and Promotion requires employees to certify they have not engaged in the misconduct included in this standard provision, plus other actions relevant to hiring and promotion decisions. The auditor reviewed 3 examples for new hires and observed the certifications are conducted according to the standard provision requirement.

The HR staff interview supported the documented evidence. The facility asks all applicants and employees about previous misconduct in written applications for hiring and promotions and in written self-evaluations conducted as part of reviews for current employees.

115.317 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Agency policy requires the consideration of any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with residents.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 93, section II.F.8 states JRBH shall consider any incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any volunteer or contractor, who may have contact with residents.

The HR staff confirmed the department considers prior incidents of sexual harassment in determining whether to hire or promote anyone, or to enlist the services of any contractor, who may have contact with the residents.

The auditor observed the Johnny Robinson's Boys Home PREA Disclosure Form for Hiring and Promotion requires employees to certify they have not engaged in prior incidents of sexual harassment. The auditor reviewed 3 examples for new hires and observed the certifications are conducted according to the standard provision requirement.

115.317 (c) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Agency policy requires that before it hires any new employees who may have contact with residents, it (a) conducts criminal background record checks, (b) consults any child abuse registry maintained by the State or locality in which the employee would work; and (c) consistent with Federal, State, and local law, makes its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse

During the past 12 months:

- 1. The number of persons hired who may have contact with residents who have had criminal background record checks: 10
- 2. The percent of persons hired who may have contact with residents who have had criminal background record checks: 100%

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 93, section II.F.1-5 states prior to employment, Johnny Robinson's Boys Home subjects any person who will maintain contact with juveniles, whether they are staff, volunteer or contractor, to a criminal background check pursuant to the Louisiana Child Protection Act. LA. R.S. 15:587.1.

Additionally, the facility requires that all staff members, volunteers and contractors, who have direct contact with residents, prior to employment; submit completed fingerprint cards and releases to the Department of Public Safety and Corrections, Bureau of Criminal Identification, as mandated by statute.

The facility does not hire any prospective employee, nor enlist the services of any volunteer or contractor who may have contact with residents, whose criminal record check is returned with an indication of any sexual abuse, harassment, or other sexual crime in violation of any applicable state or federal regulations.

Consistent with law, JRBH makes its best effort to check with previous employers of any potential employee, volunteer or contractor who may have contact with juveniles for any information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse.

The HR staff confirmed the department performs criminal background record checks and considers pertinent civil or administrative adjudications for all newly hired employees who may have contact with the residents and all employees, who may have contact with residents who are being considered for promotions.

The auditor reviewed 16 Louisiana Department of Child and Family Services Criminal Record Clearance Forms and observed the criminal background record checks are conducted according to the standard provision requirement.

The auditor reviewed 16 Louisiana Department of Child and Family Services Notifications of Child Abuse and Neglect Clearance and observed the child abuse registry consultations are conducted according to the standard provision requirement.

The auditor reviewed 5 Johnny Robinson's Boys Home Prior Institutional Employer Reference Checks and observed the checks are conducted according to the standard provision requirement. The auditor observed the checks did not include information indicating who from the institutional employers provided the information. Through corrective action, the facility updated the form to include identifying information. One completed example of the updated form was provided to the auditor as documented evidence the updated form has been implemented.

The residents are provided education on all required PREA topics during intake, again within 10 days, and during groups. Additionally, PREA education is accessible to all residents, including those who are limited English proficient, deaf, visually impaired or otherwise disabled. Residents sign the Youth Confirmation of Receipt of PREA, verifying they reviewed and understand the information given to them about PREA. PREA information is continuously and readily available to residents through posters, handbooks, and pamphlets. No corrective action is required.

Site Review:

Observations during onsite review of facility

Findings (By Provision):

115.341 (a) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency has a policy that requires screening (upon admission to a facility or transfer to another facility) for risk of sexual abuse victimization or sexual abusiveness toward other residents. The policy requires that residents be screened for risk of sexual victimization or risk of sexually abusing other residents within 72 hours of their intake. The policy requires that a resident's risk level be reassessed periodically throughout their confinement.

In the past 12 months:

- 1. The number of residents entering the facility (either through intake or transfer) whose length of stay in the facility was for 72 hours or more who were screened for risk of sexual victimization or risk of sexually abusing other residents within 72 hours of their entry into the facility: 56
- 2. The percent of residents entering the facility (either through intake or transfer) whose length of stay in the facility was for 72 hours or more who were screened for risk of sexual victimization or risk of sexually abusing other residents within 72 hours of their entry into the facility: 100%

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. A.1-2, states that within seventy-two (72) hours upon arrival to the facility, the administrative assistant and/or facility social worker shall interview the client at intake to obtain information about the youth's personal history and behavior in order to reduce the risk of sexual abuse by or upon a resident. The client's risk level shall be reassessed every six months during an administrative review.

The auditor reviewed completed Johnny Robinson's Boys Home Screenings for Risk of Sexual Victimization and Abusiveness for verification they are completed within 72 hours of entry into the facility. Thirteen assessments were reviewed for the 12-month audit period. All 13 assessments were completed within 72 hours of intake. Ten assessments were reviewed for residents interviewed. All 10 assessments were completed within 72 hours of intake.

The auditor reviewed applicable risk reassessments conducted at 6-month intervals for 4 residents interviewed and 7 residents for the 12-month audit period.

The Staff Responsible for Risk Screening confirmed she screens residents upon admission to the facility or transfer from another facility for risk of sexual abuse victimization or sexual abusiveness toward other residents. She confirmed residents are screened for risk of sexual victimization or risk of sexually abusing other residents within 72 hours of their intake. The assessments usually occur within 1 to 24 hours of intake. The information is ascertained through conversations with residents during intake and reviewing all available information. She confirmed resident's risk levels are reassessed every six months.

Residents interviewed confirmed they were asked questions like the following examples at intake:

- (1) Have you have ever been sexually abused?
- (2) Do you identify with being gay, bisexual or transgender?
- (3) Do you have any disabilities?
- (4) Do you think you might be in danger of sexual abuse at the facility?

115.341 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Risk assessment is conducted using an objective screening instrument.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. A.2, states the risk assessment is conducted using an objective screening

instrument.

The auditor reviewed the Johnny Robinson's Boys Home Screenings for Risk of Sexual Victimization and Abusiveness and found it to be inclusive of the criteria required by the standard. Based on the resident's responses they are assigned a risk level for potentially being at risk of being sexually aggressive, sexually vulnerable, both, or neither.

The auditor reviewed the objective screening instrument, examples for residents interviewed, and additional documentation for the 12-month audit period.

115.341 (c) Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. A.4, states the administration and social worker shall attempt to ascertain information about the following items in order to effectively accomplish this objective: Prior sexual victimization or abusiveness; Any gender nonconforming appearance or manner or identification as lesbian, gay, bisexual, transgender, intersex, and whether the resident may therefore be vulnerable to sexual abuse; Current charges and offenses history; Age; Level of emotional and cognitive development; Physical size and stature; Mental illness or mental disabilities; Intellectual or developmental disabilities; Physical Disabilities; The resident's own perception of vulnerability; and Any other specific information about individual residents that may indicate heightened needs for supervision, additional safety precautions, or separation from certain other residents.

The auditor reviewed the Johnny Robinson's Boys Home Screening for Risk of Sexual Victimization and Abusiveness and determined the assessment did not include all factors required by the standard provision. The following criteria was not included:

- Any gender nonconforming appearance or manner
- Current charges and offense history
- Level of emotional and cognitive development
- Intellectual disabilities

Through corrective action, the Johnny Robinson's Boys Home Screening for Risk of Sexual Victimization and Abusiveness was updated March 22, 2024, to include all criteria required by the standard provision. The auditor reviewed 2 risk assessments for residents admitted to the facility after the assessment was updated and observed the updated assessment has been implemented.

The interview with the intake staff responsible for risk screening confirmed she is knowledgeable of the elements of the risk screening instrument.

115.341 (d) Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. A.5, states the information shall be ascertained through conversations with the resident during the intake process and medical and mental health screenings; during classification assessments; and by reviewing court records, case files, facility behavioral records, and other relevant documentation from the resident's file.

The interview with the staff responsible for risk screening confirmed the information

is ascertained through conversations with the residents using the Johnny Robinson's Boys Home Screening for Risk of Sexual Victimization and Abusiveness and all available information is considered.

115.341 (e) Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. A.3, states to ensure confidentiality and sensitivity of the information of the resident's responses, information will be kept in the resident's confidential file and not shared with unauthorized persons. Only persons authorized by the Administrator, including, but not limited to, the PREA Coordinator, designated administrative staff, direct care supervisory staff, and the social worker shall have knowledge of the findings and responses in order to ensure that sensitive information is not exploited to the resident's detriment by staff or other residents.

The auditor observed the facility's file room. The files are secured in a locked cabinet behind a locked door. The files have a list of individuals that have access to them.

Interviews with the staff responsible for risk screening and PREA Coordinator confirmed the information is limited to only certain facility staff, including the PREA Coordinator, designated administrative staff, direct care supervisory staff, and the LCSW.

Conclusion and Corrective Action: Based upon the review and analysis of the available evidence, the auditor has determined the facility fully meets this standard regarding screening for risk of victimization and abusiveness. Corrective action is complete.

115.341 (c)-1 Through corrective action, the Johnny Robinson's Boys Home Screening for Risk of Sexual Victimization and Abusiveness was updated March 22, 2024, to include all criteria required by the standard provision. The following criteria was added:

Observations during on-site review of physical plant

Findings (By Provision):

115.342 (a) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency/facility uses information from the risk screening required by §115.341 to inform housing, bed, work, education, and program assignments with the goal of keeping all residents safe and free from sexual abuse.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. B.1, states Johnny Robinson's Boys Home utilizes all information obtained in standard §115.341 to determine the most appropriate housing and bed accommodations and other related activities for youth to prevent potential occurrences of sexual abuse and to ensure the safety of all youth.

The auditor observed the facility uses the Johnny Robinson's Boys Home Housing Unit Placement Form to document housing and bed assignments. The auditor reviewed 5 examples for the 12-month audit period. The auditor observed the form documents housing and bed assignments. Through corrective action the form was updated March 20, 2024, to document work, education, and program assignments based on information from the risk screen.

The PREA Coordinator and Staff Responsible for Risk Screening (Administrative Assistant) both confirmed the facility used information from the risk screening during intake to keep residents safe and free from sexual abuse and sexual harassment by determining housing and programming assignments.

115.342 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility has a policy that residents at risk of sexual victimization may only be placed in isolation as a last resort if less restrictive measures are inadequate to keep them and other residents safe, and only until an alternative means of keeping all residents safe can be arranged. The facility policy requires that residents at risk of

sexual victimization who are placed in isolation have access to legally required educational programming, special education services, and daily large-muscle exercise.

In the past 12 months:

- 1. The number of residents at risk of sexual victimization who were placed in isolation: 0
- 2. The number of residents at risk of sexual victimization who were placed in isolation who have been denied daily access to large muscle exercise, and/or legally required education, or special education services: 0
- 3. The average period of time residents at risk of sexual victimization who were held in isolation to protect them from sexual victimization: N/A

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. B.2, states any use of segregated housing to protect a resident who is alleged to have suffered sexual abuse shall comply with § 115.342 and the provision (a). At no time will any client be denied any legally required educational programs, special education services, daily large-muscle exercise, or medical/mental health care. At risk residents may only be placed in isolation in an emergency situation, and only as a last resort if less restrictive measures are inadequate to keep the resident safe.

The policy is inclusive of the provision if there were to be an emergency situation. The Isolation Activity Log would be used to document the residents' rights to daily large-muscle exercise and any legally required educational programming or special education services are provided.

The Facility Administrator confirmed Johnny Robinson's Boys Home does not use isolation for residents at risk of sexual victimization.

115.342 (c) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility prohibits placing lesbian, gay, bisexual, transgender, or intersex residents in particular housing, bed, or other assignments solely on the basis of such identification or status. The facility prohibits considering lesbian, gay, bisexual, transgender, or intersex identification or status as an indicator of likelihood of being sexually abusive.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. B.3, states JRBH does not consider sexual orientation or gender identification as an indicator of likelihood of sexual abusiveness, and as such, does not make housing determinations based on sexual orientation.

The PREA Coordinator confirmed lesbian, gay, bisexual, transgender, or intersex residents would not be placed in particular housing, bed, or other assignments solely on the basis of such identification or status, nor would the facility consider lesbian, gay, bisexual, transgender, or intersex identification or status as an indicator of likelihood of being sexually abusive.

115.342 (d) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The

agency or facility makes housing and program assignments for transgender or intersex residents in the facility on a case-by-case basis.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. B.4, states in making housing and bed determinations for transgender or intersex youth, the facility shall consider on a case-by-case basis whether a placement would ensure the resident's health and safety, and whether the placement would present management or security problems.

The PREA Coordinator and Administrative Assistant both confirmed the facility would consider on a case-by-case basis whether a placement would ensure the resident's health and safety, and whether the placement would present management or security problems.

115.342 (e) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Placement and programming assignments for each transgender or intersex resident shall be reassessed at least twice each year to review any threats to safety experienced by the resident.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section V. B.5, states the placement and programming assignments for each transgender or intersex resident shall be reassessed at least twice each year to review any threats to safety experienced by the resident.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section V. B.6, states a transgender or intersex resident's own views with respect to his or her safety shall be taken into consideration during said assignment.

The PREA Coordinator and Administrative Assistant both confirmed a transgender or intersex resident's own views with respect to his or her own safety would be given serious consideration.

115.342 (g) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Transgender and intersex residents shall be given the opportunity to shower separately from other residents.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 96, section V. B.7 states transgender or intersex residents shall be given the opportunity to shower separately from other residents.

The PREA Coordinator and Administrative Assistant both confirmed a transgender or intersex resident would be given the opportunity to shower separately from other

residents.

Site Review Observations: Observations made during the site review revealed the single bathroom in the "Little House" allows for a resident to shower separately. Based on the review of the Pre-audit questionnaire, site review observations, and interviews with the PREA Coordinator and Administrative Assistant, the evidence shows the facility follows this standard provision.

- **115.342 (h)** Johnny Robinson's Boys Home Pre-Audit Questionnaire response: From a review of case files of residents at risk of sexual victimization who were held in isolation in the past 12 months, the number of case files that include BOTH:
- 1. A statement of the basis for facility's concern for the resident's safety, and
- 2. The reason or reasons why alternative means of separation cannot be arranged: N/A

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section V. B.8, states if a resident is isolated pursuant to part (B.2.) of this section, the facility shall clearly document: a. The basis for the facility's concern for the resident's safety; and b. The reason why no alternative means of separation can be arranged.

The Facility Administrator and LCSW both confirmed the facility has not used isolation for this purpose. The policy is inclusive of this provision if there were to be an emergency situation. The auditor observed the Isolation Activity Log would provide space for documenting the requirements of this provision.

115.342 (i) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: If a resident at risk of sexual victimization is held in isolation, the facility affords each such resident a review every 30 days to determine whether there is a continuing need for separation from the general population.

B.9, states every thirty (30) days, JRBH shall afford each resident described in provision (b) of this section a review to determine whether there is a continuing need for separation from the general population.

The policy is inclusive of this provision if there were to be an emergency situation.

Conclusion and Corrective Action: Based upon the review and analysis of the available evidence, the auditor has determined the facility is fully compliant with this standard regarding use of screening information. Corrective action is complete.

115.341 (a) The Johnny Robinson's Boys Home Housing Unit Placement Form was updated March 20, 2024, to document work, education, and program assignments based on information from the risk screen.

Site Review Observations:

Observations during on-site review of physical plant

Findings (By Provision):

115.351 (a) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency has established procedures allowing for multiple internal ways for residents to report privately to agency officials about: Sexual abuse or sexual harassment; Retaliation by other residents or staff for reporting sexual abuse and sexual harassment; AND Staff neglect or violation of responsibilities that may have contributed to such incidents.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. A.1, states JRBH provides a number of procedural avenues for residents to report suspected sexual abuse, sexual harassment, retaliation by other residents or staff for reporting abuse, or any staff member neglect of responsibilities that may have contributed to such an incident.

Staff interviews confirmed residents can privately report sexual abuse or sexual harassment, retaliation by other residents or staff for reporting sexual abuse and sexual harassment, or staff neglect or violation of responsibilities that may have contributed to an incident of sexual abuse or sexual harassment by calling the hotline number. Residents stated they would report sexual abuse or sexual harassment that happened to them or someone else by telling staff, calling the hotline, or writing a grievance.

The auditor observed signage is readable and accessible, consistent, and placed throughout the facility. Signage is provided in English and Spanish. The auditor observed residents are provided with numerous methods for reporting both internally and externally. Internal methods include verbally, grievance, anonymously, or by third party. Information for reporting, including hotline numbers, is posted throughout the facility and included in the resident handbooks and PREA pamphlets.

The auditor tested internal reporting by submitting a test grievance. The grievance was responded to by email the same day.

115.351 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency provides at least one way for residents to report abuse or harassment to a public or private entity or office that is not part of the agency. Johnny Robinson's Boys Home does not detain youth solely for civil immigration purposes.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. A.2, states the facility has the Louisiana Office of Juvenile Justice's Youth Safety Guide posted in all dormitories along with a toll-free phone number to report instances of abuse. Nothing in this section shall prevent a resident from reporting abuse, neglect, or harassment to any outside public or private agency, including, but not limited to, the Monroe Police Department, the Louisiana Office of Juvenile Justice, the Louisiana Department of Children and Family Services, any public school employee where the resident attends, or any other authoritative entity. In addition, a resident may make a report to the Wellspring Alliance for Families with whom JRBH has a memorandum of understanding for victim advocate and rape crisis services. The contact phone numbers and address are posted in the dorms. A resident may remain anonymous upon request. Residents shall have unimpeded access to a telephone in which to make a report. Staff shall allow for limited resident privacy during the call without losing observation of the resident. Residents are advised of staff mandatory reporting requirements. There are no time limitations within which a client may report suspected abuse.

Contact information for public or private entities or offices that are not part of the agency includes:

- Monroe Police Department: 318-329-2600
- Louisiana Office of Juvenile Justice Hotline: 1-800-626-1430
- The Wellspring Alliance Rape Crisis Center Hotline: 1-800-716-7233
- The Louisiana Foundation against Sexual Assault (LaFASA): 1-888-995-7273
- Ouachita Parish Coroner's Office: 318-327-1362

Resident interviews confirmed the youth were knowledgeable of their ability to make an anonymous report. The PREA Coordinator confirmed there are several ways for residents to report abuse or harassment to a public or private entity or office that is not part of the facility. The facility provided a memorandum stating Johnny Robinson's Boys Home does not detain residents solely for civil immigration purposes.

Through corrective action the facility developed the Prison Rape Elimination Act Poster March 28, 2024. The poster identifies the Monroe Police Department, the Louisiana Office of Juvenile Justice, the Louisiana Department of Children and Family Services, and the Ouachita Parish Coroner's Office as ways to report to external agencies. Telephone numbers and addresses are provided. The Ouachita Parish Coroner's Office is identified as a way for residents to anonymously report abuse or harassment to a public or private entity or office that is not part of the agency. The poster instructs residents to mail a grievance in a preaddressed envelope furnished by the facility.

The facility updated the Ways to Report Poster to remove Wellspring Alliance for Families as an external reporting agency on April 19, 2019. The Wellspring Alliance for Families receives Federal grants which preclude their ability to immediately forward reports back the facility due to confidentiality issues.

The facility updated the Break the Silence Poster to indicate the Louisiana Foundation Against Sexual Assault (LaFASA) provides statewide support services, rather than an external reporting agency on April 19, 2019. LaFASA receives Federal grants which preclude their ability to immediately forward reports back the facility due to confidentiality issues.

The auditor observed the posters are located throughout the facility, including the living units and intake. The poster is in English and Spanish. The auditor tested external reporting by calling the Ouachita Parish Coroner's Office at 318-327-1362. The coroner's office representative forwarded the report to the facility PREA Coordinator within two minutes. The PREA Coordinator confirmed receipt of the test report by emailing the auditor.

The auditor observed the facility did not have a method for residents to report anonymously to an external agency or entity without staff knowledge or assistance. Through corrective action, the facility placed preaddressed envelopes, for reporting to the Ouachita Parish Coroner's Office, next to the grievance box April 19, 2024. The new procedure allows residents to anonymously mail a grievance to the coroner's office without asking staff for assistance.

115.351 (c) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The

agency has a policy mandating that staff accept reports of sexual abuse and sexual harassment made verbally, in writing, anonymously, and from third parties. Staff are required to document verbal reports. The time frame that staff are required to document verbal reports: Immediately

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. A.1.b, states staff shall accept reports made verbally, in writing, anonymously and from third parties. Staff shall immediately document any verbal report.

Staff interviews confirmed reports can be made verbally, in writing, anonymously, and from third parties. Staff interviewed stated they would document verbal reports immediately. Reports would be made to direct care supervisors, the Facility Administrator, and the PREA Coordinator. Residents interviewed acknowledged they could report verbally or in writing. If they wanted to make a report without having to give their name a relative or friend could make the report for them.

115.351 (d) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The facility provides residents with access to tools to make written reports of sexual abuse or sexual harassment, retaliation by other residents or staff for reporting sexual abuse and sexual harassment, and staff neglect or violation of responsibilities that may have contributed to such incidents.

Site Review Observations:

Observations during on-site review of physical plant

Findings (By Provision):

115.352 (a) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency has an administrative procedure for dealing with resident grievances regarding sexual abuse.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. B.1, states the administrative procedures to address resident grievances regarding sexual abuse. Paragraph 1 states information related to sexual abuse or sexual harassment grievance procedures and administrative remedies is contained in the JRBH Placement Agreement which is included in the client intake paperwork. Residents are provided instructions on the procedures and then are asked to date and sign the form. In addition, PREA information is provided in the Parent/Guardian Letter which is mailed to the parent or legal guardian of a new client/resident.

The auditor confirmed Johnny Robinson's Boys Home has administrative procedures to address resident grievances regarding sexual abuse. The auditor reviewed 5 examples of the Johnny Robinson's Boys Home Juvenile Acknowledgement of PREA Grievance and Appeal Process. The auditor observed the acknowledgement includes important information about the grievance procedures. Residents sign to document that staff read and explained the facility PREA Grievance and Appeal Process.

115.352 (b) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: Agency policy or procedure allows a resident to submit a grievance regarding an allegation of sexual abuse at any time regardless of when the incident is alleged to have occurred. Agency policy does not require a resident to use an informal grievance process, or otherwise to attempt to resolve with staff, an alleged incident of sexual abuse.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. B.2-4, states JRBH shall not impose a time limit on when a resident may submit a grievance regarding an allegation of sexual abuse. The facility may apply otherwise applicable time limits on any portion of a grievance that does not allege an incident of sexual abuse. JRBH ensures a formal process to address resident grievances regarding sexual abuse and sexual harassment, and prohibits an informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse or sexual harassment. A log of grievances filed shall be maintained at the facility. A copy of all findings shall be forwarded to the PREA Coordinator. Nothing in this section shall restrict Johnny Robinson's Boys Home's ability to defend against a lawsuit filed by a resident on the basis that the applicable statute of limitations has expired.

The auditor reviewed the Johnny Robinson's Boys Home Resident Handbook and the Johnny Robinson's Boys Home PREA Grievance and Appeal Process and observed relevant information is provided. Residents are instructed that Johnny Robinson's Boys Home shall not impose a time limit on when a resident may submit a grievance regarding an allegation of sexual abuse.

115.352 (c) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency's policy and procedure allow a resident to submit a grievance alleging sexual abuse without submitting it to the staff member who is the subject of the complaint.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. B.6-8, states a resident who alleges sexual abuse or sexual harassment

may submit a grievance without submitting it to a staff member who is the subject of the complaint. Such grievance shall not be referred to a staff member who is the subject of the complaint. A locked drop box for grievances is also available. The box is checked daily by either the direct care supervisors, PREA Coordinator, or the Administrator. This system is used to provide youth and staff a means to place written sexual abuse or sexual harassment grievances privately and securely.

The auditor reviewed the Johnny Robinson's Boys Home Resident Handbook and the Johnny Robinson's Boys Home PREA Grievance and Appeal Process and observed relevant information is provided. Residents are informed that they may submit a grievance without submitting it to a staff member who is the subject of the complaint and there is a locked drop box for grievances.

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. The first level of the process is conducted by the Review Committee which consists of the Administrator, PREA Coordinator, a direct care supervisor, or a designee. The Review Committee will convene within three (3) working days of receiving the grievance. An emergency grievance will be reviewed immediately as in the manner indicated below within this section. At the Review Committee hearing, the client/resident may relate his version of the incident, call witnesses and question facts presented. Recommendations of the committee may include disciplinary action against staff or client/resident held responsible for inappropriate or illegal acts; further investigation; change in policy or procedures; or any and all of the above. All findings will be submitted in writing to the client/resident within three (3) additional days. The final level is an appeal of the Review Committee's findings. The appeal may be made directly to the Administrator, or his designee, who will review the findings within three (3) working days of the Review Committee's decision, and shall submit the appeal findings in a written report to the client within three (3) additional days. Any extension of a final decision will result in the resident receiving written notification of the extension, and a date that the final decision shall be issued. A final decision shall be made within ninety (90) days of the initial filing of the grievance. The findings of the Administrator, or his designee, are final. At any level of the process, if the resident does not receive a response within the time allotted for reply, the resident may consider the absence of a response to be a denial at that level.

115.352 (e) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The number of the grievances alleging sexual abuse filed by residents in the past 12 months in which the resident declined third-party assistance, containing documentation of the resident's decision to decline: 0

B.10.a-d, states third parties, including fellow residents, staff members, family members, attorneys and outside advocates shall be permitted to assist residents in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of residents. If a third party, other than a parent or legal guardian, files such a request on behalf of a resident, JRBH shall require, as a condition of processing the request, that the alleged victim agree to have the request filed on his behalf. If the resident declines to have the request processed on his behalf, JRBH shall document the resident's decision. A parent or legal guardian of a juvenile shall be allowed to file a grievance regarding allegations of sexual abuse, including appeals, on behalf of such juvenile. Such a grievance shall not be conditioned upon the juvenile agreeing to have the request filed on his behalf.

115.352 (f) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency has a policy and established procedures for filing an emergency grievance alleging that a resident is subject to a substantial risk of imminent sexual abuse. Agency policy and procedures for emergency grievances alleging substantial risk of imminent sexual abuse require an initial response within 48 hours. The number of emergency grievances alleging substantial risk of imminent sexual abuse that were filed in the past 12 months: 0

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. B.14, states If an emergency grievance is received alleging that a resident is subject to a substantial risk of imminent sexual abuse, staff shall immediately forward the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to the Administrator who shall take immediate corrective action. The Administrator shall provide an initial response within forty-eight (48) hours, and shall issue a final decision within five (5) calendar days. The initial response and final decision shall document the facility's determination whether the resident is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance.

115.352 (g) Johnny Robinson's Boys Home Pre-Audit Questionnaire response: The agency has a written policy that limits its ability to discipline a resident for filing a grievance alleging sexual abuse to occasions where the agency demonstrates that the resident filed the grievance in bad faith.

In the past 12 months, the number of resident grievances alleging sexual abuse that resulted in disciplinary action by the agency against the resident for having filed the grievance in bad faith: 0

Johnny Robinson's Boys Home Policy and Procedure Manual dated 2015, page 97, section VI. B.15, states the facility may discipline a resident for filing a grievance

related to alleged sexual abuse only where the administration demonstrates that the resident filed the grievance in bad faith.

Conclusion: Based upon the review and analysis of the available evidence, the auditor has determined the facility is fully compliant with this standard regarding exhaustion of administrative remedies. No corrective action is required.
