XV. CARD MISUSE:

A. Fraud Purchase

An employee suspected of having misused the P-Card/CBA with the intent to defraud the state shall be subjected to an investigation, and the P-Card/CBA shall be retrieved until the completion of the investigation. Should the investigation result in findings which show that the actions of the employee have caused impairment to state service, and if those findings are sufficient to support such action, the employee shall be subject to disciplinary action, pursuant to YS Policy No. A.2.1.

The nature of the disciplinary action shall be at the discretion of the Agency's Appointing Authority, and shall be based on the investigation findings and the record of the employee. Any such investigation and ensuing action shall be reported to the Louisiana Legislative Auditor, the Office of Inspector General, and the Director of the Office of Procurement.

B. Non-Approved Purchase

A non-approved purchase differs from a fraud purchase in that it is a non-intentional misuse of the P-Card/CBA with no intent to deceive that agency for personal gain or for the personal gain of others. A non-approved purchase is generally the result of a miscommunication between a supervisor and the cardholder.

When a non-approved purchase occurs, the cardholder shall be counseled in writing on how to use more care in handling of the P-Card/CBA. The Letter of Counseling shall be maintained in the employee's file for no longer than twelve (12) months, unless another

incident occurs. The employee shall pay for the non-approved purchase. Should another incident of a non-approved purchase occur within a twelve (12) month period, the appointing authority shall consider revocation of the P-Card/CBA.

C. Same Vendor/Same Day (Split Purchasing)

A split purchase occurs when a cardholder purchases like commodities within a limited time frame, while exceeding the single purchase limit set for cardholder. Purchases shall not be artificially divided to avoid the single purchase limit (SPL) or procurement procedures. Split purchases shall result in disciplinary action pursuant to YS Policy No. A.2.1, and revocation of the P-Card/CBA.

D. Merchant Forced Transaction

Commercial cards are accepted by a variety of merchants that process transactions only if approved by the issuing bank thereby abiding by the card controls in place. Merchant transactions are processed using one of the two (2) steps as follows:

1. Merchants process transactions against card controls (MCC, limits, expiration date, etc.) and, if approved receive an authorization number; or
2. Merchants submit the transactions for payment from the bank.

In rare instances, merchants will circumvent the authorization process and only perform Step 2. This means that the merchant didn't process the transaction against the card controls, and therefore did not receive an authorization number.

If this happens, the merchant has forfeited all dispute rights and the transaction can be disputed, and unless the merchant can provide a valid authorization number, the dispute will be resolved in the cardholders favor.

E. Card and WORKS User ID/Password Security

Each cardholder, CBA Administrator, YS "LaCarte" Card Liaison, auditor, cardholder Approver, etc. is responsible for the security of their card, User ID(s) and password(s).

F. Consequences of Card Misuse

The consequences of card misuse are as follows:

- Suspension/cancellation of card;
- Written Letter of Counseling which would be placed in employee file for a minimum of 12 months;
- Consultation with the YS “LaCarte” Card Liaison, the PSS/OMF “LaCarte” Program Administrator, and possibly the Deputy Secretary/designee;
- Disciplinary actions, up to and including termination of employment; and/or
- Legal actions, as allowed by the fullest extent of the law.

XVI. DOCUMENTATION:

- A. All documentation shall be adequate and sufficient to adhere to current purchasing policies, rules, regulations, statutes, executive orders, State Liability “LaCarte” Purchasing Card and CBA Policy, for recording of expenditures in the State/Agency accounting system, and the State Corporate Travel Card and CBA Policy and PPM 49, if applicable.

All supporting documentation, along with signed receipts, shall be scanned and attached to each corresponding transaction. Immediate supervisors/Approvers shall verify and ensure that these controls are being met and that transactions are appropriate, accurate, have a business case and business need for the purchase, that all receipt dates and other supporting documentation dates that are applicable with known need or business travel, if applicable, are approved (refer to YS Policy No. A.3.16).

Documentation of approval must be accomplished electronically online by signing off on the transaction. Approval by the Approver certifies that the documentation is acceptable for each transaction; that it was for official state business; that it is in compliance with appropriate rules and regulations, etc., as mentioned above, and that it has been reviewed and is approved.

- B. Acceptable documentation must include a line description, with full description, not a generic “general merchandise” description, and line item pricing for the purchase. **Electronic receipts are allowed if they are un-editable, printed, include an original signature**, and are maintained in compliance with the YS record retention policy (refer to YS Policy No. A.1.9).

- C. For internet purchases, the print out of the order confirmation showing the details, or the printout of the order details, or the shipping document if it shows what was purchased, the quantity, and the price paid suffice for the itemized receipts. **The printout must be signed and dated by the cardholder.**
- D. By the 30th of each month after the billing cycle ends, the YS "LaCarte" Card Liaison shall forward the original signed Bank of America statement, original "LaCarte" Purchasing Card Log" signed by the cardholder and the Approver, original receipts/credits signed by the cardholder, and any findings and justifications to the PSS/OMF Fiscal Office for review and maintenance of the files, in accordance with record retention laws. Failure to comply with these requirements will result in the "LaCarte" Purchasing Card being suspended for a minimum of 30 days.

This file shall be centrally located in the PSS/OMF Fiscal Office, and is subject to review by the Office of State Procurement, the Louisiana Legislative Auditors Office and any other duly authorized auditor.

XVII. DISPUTE RESOLUTION:

The cardholder's first recourse is to contact the merchant to try and resolve problems regarding disputed items, charges or quality.

- A. If the merchant agrees the error has been made, the merchant will credit the cardholder's account. The credit will appear on the next monthly billing statement. The cardholder shall check the next statement for the credit.
- B. If the problem with the vendor is not resolved, the attached "Statement of Disputed Item" form must be completed and mailed or faxed with required enclosures within 60 days from the billing close date (5th of each month) to the following:

Bank of America-Commercial Card Service Operation
P.O. Box 53142
Phoenix, AZ 85072-3142
Phone (800) 352-4027 Fax (888) 678-6046

A copy of the dispute form shall be faxed to the PSS/OMF "LaCarte" Program Administrator at (225) 925-6510.

- C. The transaction will be paid; therefore, the cardholder shall mark the online WORKS transaction as "DISPUTED." The cardholder shall retain a copy of the disputed documentation and verify receipt of the credit on future statements.
- D. All disputes will be resolved by Bank of America within 180 days.

XVIII. FRAUDULENT CHARGE:

In the event of a fraudulent charge, the cardholder shall complete the following steps:

- A. Contact the Bank of America's Security Division at (877) 451-4602;
- B. Sign and return the affidavit provided by Bank of America;
- C. Notify the PSS/OMF "LaCarte" Program Administrator at (225) 925-7771;
- D. Submit a copy of the fraudulent charge affidavit to the PSS/OMF "LaCarte" Program Administrator; and
- E. Indicate the fraudulent charge in the comment section of the transaction during online reconciliation in WORKS.

Any recognized or suspected misuse of the P-Card Program shall be immediately reported to the agency Program Administrator, and shall be anonymously reported to the State of Louisiana Inspector General's Fraud and Abuse Hotline at 1-866-801-2549.

XIX. PROCEDURES AND CONTROLS:

PSS/OMF/Purchasing and Accounting shall ensure that necessary procedures and controls are in place for prompt payment, reconciliation, and cost distribution of charges and credits.

XX. AUDIT REPORTS:

- A. State Procurement has created a list of reports for agencies to use for monthly audit requirements of the "LaCarte" Purchasing Card Program through WORKS and Intellilink. Some reports are required to be generated and reviewed at least once a month, while others have been created and designed as added value to assist in policy compliance. Although all of the reports are not required monthly, the reports shall be reviewed to determine which of the reports are most valuable to the agency. Those selected reports shall be rotated at a minimum of every other month.
- B. When running the reports, it is the agency's responsibility to not only review the data gathered, but to make certain that transactions are for a business purpose and have a legitimate business need for the cardholder. In the event that a transaction is being investigated, the cardholder must explain and justify the transaction being questioned.

Based on the cardholder's explanation, the agency shall address the situation accordingly.

- C. All documentation/findings/replies resulting from the monthly audit of P-Card transactions shall be centrally located and readily available for any internal or external audits that shall occur. Most reports are available through VISA Intellilink. Intellilink's data is available for a 27 month rotating period.
- D. Monthly certification that the above procedures have been conducted shall be submitted to the Office of State Travel. The certification shall indicate that agency personnel administering the P-Card Program have generated the required reports, that all requirements listed in the policy have been completed, and necessary findings have been investigated, documented and handled appropriately.

In addition, reports shall be used as a tool to assist the YS "LaCarte" Card Liaison and the PSS/OMF "LaCarte" Program Administrator with determining which cardholders need a refresher training course, re-certification of the state's online training, counseling, cancellation of card due to inaccuracies, etc., as well as to determine possible changes to cardholder's limits, profiles and MCC groups.

- E. When WORKS Workflow implementation has been completed, a "Billing Cycle Purchase Log" report will be available for print. It is an un-editable PDF formatted report. The WORKS Workflow system data is generated at the time of report request with the most current signoff information, the date and time stamp of the approval captured in the audit tracking, along with all documentation which has been scanned to support P-Card transactions and tied to the appropriate transaction. The correct cycle period/dates shall be entered when printing the log report.

Cycle dates for the program begin on the 6th of one month and ends on the 5th of the following month.

- F. Once WORKS Workflow has been implemented there will be additional reports that can be created to give cardholder Approvers, accountants, YS "LaCarte" Card Liaison and the PSS/OMF "LaCarte" Program Administrator, auditors, and management information to monitor the compliance of their cardholders and staff. Data is available electronically within WORKS Workflow for up to three (3) years.

XXI. QUALITY ASSURANCE:

- A. PSS/OMF Internal Audit Division assures that all procedures, in conjunction with the areas covered in the "Loss Prevention Program" (refer to YS Policy No. A.3.11) are conducted annually to ensure a system of checks and balances and compliance. Policies shall also be reviewed annually.

YS Policy No. A.3.10

Page 22

- B. Each Unit Head shall evaluate and respond to PSS/OMF internal audit findings and recommendations expeditiously. The response shall include a corrective action plan with estimated implementation dates to resolve findings, whether or not the availability of resources is a restraining factor. Such lack of resources shall be documented.
- C. YS Policy No. A.3.10 shall be reviewed on an annual basis to ensure continued compliance with the State of Louisiana, Division of Administration, Louisiana "LaCarte" Purchasing Card Policy.

I. INTRODUCTION

A. Policy Statement

This policy and related procedures covers the “LaCarte,” Purchasing Card (P-Card), the State of Louisiana’s Corporate Liability P-Card program and establishes minimum standards for possession and use to ensure compliance. The use of the P-Card Program for purchases does not negate any current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA (Controlled Billing Account aka Cardless Account aka Ghost Account) Policy, internal agency policies and procedures and/or PPM49 as applicable. All must be followed when using and administering the P-Card and this policy.

Cardholders, program administrators, program users, supervisors/approving officials, auditors or anyone associated with the card program who knowingly, or through willful neglect, fails to comply with any current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable may be subject to suspension or termination of account privileges or other disciplinary action, up to and including criminal prosecution to the fullest extent of the law. The Office of State Travel reserves the right to withdraw any authority or delegated approval due to non-compliance with applicable laws, rules, regulations, mandates, policies and procedures.

B. Purpose

The P-Card is a tool used to assist in the management of procurement, payment and accounting. The P-Card is a Visa card issued by Bank of America (BOA) for the State of Louisiana and will be identified with the State of Louisiana seal and marked Louisiana “LaCarte”. The cards are white and embossed with the employee’s name, department name, account number and tax exempt number. Expiring P-Cards will automatically be replaced/renewed prior to the expiration date by the issuing bank and sent to the program administrator for distribution to cardholders who have completed the annual requirements of re-certification from the states online training class, agency training and signed the most current cardholder agreement form.

The P-Card enables employees to purchase items with the convenience of a credit card, while providing management with a means of maintaining control over those purchases. The use of this card will improve efficiency and effectiveness by reducing costs associated with processing purchases and payments and will allow for the receipt of goods on a timely basis. Payments for valid business purchases at or under the value of \$5,000 should be made with the P-Card in lieu of purchase orders when possible. When this payment method is used, processing through the state’s systems (i.e. ISIS, AFS or LaGov) is not required. The P-Card can be used with any merchant that accepts Visa as a form of payment. It is intended that P-Cards be issued to selected State employees when the use of the P-Card will enhance effectiveness or economy of operation for the agency. If used to its potential, the P-Card Program will result in a reduction in the volume of purchase orders and related documentation including invoices and checks. In addition, corresponding work processes associated with ordering and check writing may be reduced. Agencies that have requested and been approved to use the purchasing card for travel expenses are mandated to use a state issued card for all high dollar travel expenses, including but not limited to registration, lodging, airfare and vehicle rental.

C. CONDITIONS OF PARTICIPATION

All agencies public/post-secondary, as condition of participation in the P-Card Program shall abide by the terms of this policy unless a "Request for Exemption" is submitted and approved by the Office of State Travel <http://www.doa.la.gov/osp/Travel/forms/DOApcardExceptionRequest.pdf>.

The request shall:

- cite the specific paragraph(s) of this policy for which the exception is requested
- include a description and justification for the exception
- state the specific length of time for which the exception is necessary

The Agency P-Card Program Administrator and the State P-Card Administrator shall keep approved exceptions on file.

Using the P-Card for purchases of supplies, equipment, operating services and/or major repairs must comply with current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable.

The Statewide LaCarte Purchasing Card and CBA Policy is not designed to be specific to an individual State agency in all areas. Each State agency must develop its own internal policy and procedures to ensure compliance with the statewide card policy as well as address areas that the statewide policy cannot and does not address. The agency should evaluate the internal policy and procedures at least annually to ensure compliance with all policies.

All agencies public/post-secondary, boards and commissions, will be mandated to implement WORKS Workflow, which is an online system through Bank of America. The system captures transactions which requires both the cardholder and cardholder's approver's electronic signatures before a cardholder's credit limit will refresh, along with the ability to maintain receipts and backup supporting documentation electronically in one central location through the mandated scanning feature, therefore, assisting with audits and reviews. The system also allows for an additional level of approval, beyond the cardholder and approver allowing a second level of review.

All program participants, i.e. program administrators, cardholder, CBA accountholder/authorizer and cardholder approvers are required to complete the State online certification class annually, receiving a passing grade of at least 90 in order to remain as a Program Administrator, receive a new p-card, a renewal p-card, remain as CBA accountholder/authorizer or remain as a cardholder approver. These certifications will be developed and updated, as necessary, by the Office of State Travel. **Note:** The certification class for the CBA accountholder/authorizer is the same as a cardholder's certification.

All program participants must sign the most current State of Louisiana Corporate Liability P-Card Program Agreement Form for the applicable program role on an annual basis. Agreements acknowledge and outline the applicable responsibilities under the program. Original forms must be given to the Program Administrator and copies provided to the approver. **Note:** The agreement form for the CBA accountholder/authorizer is the same as a cardholder's agreement form.

Cardholders and their approvers are required to complete agency developed training on both this policy and the agency's internal policy and procedures before cards can be issued as well as attend annual refresher training thereafter to remain active in the program. Proof of annual training for all program participants is required to be kept on file to include date of training and participants.

Travel merchants, including food merchants, are prohibited from individual employee use unless an exception request is made by an agency to support the use of travel and food merchants. The request, along with strict guidelines outlined in the agency policy and in accordance with the current State Liability Travel Card and CBA Policy, current PPM49 guidelines, and the written approval by the Office of State Travel is required prior to any travel expense being allowed on the P-Card.

If travel allowances are requested for individual employee use, only MCC allowances outlined in the State Liability Travel Card and CBA Policy will be allowed. CBA accounts may be opened to allow all MCC Codes/Groups outlined in the current State Liability Travel Card and CBA Policy. Procedures must be developed by the agency and included in their policy regarding travel purchases. Although other travel related transaction are now allowed on the CBA account, the traveler should be aware that there is no plastic card issued for a CBA to ensure that this will not impair his or her travel plans.

The only travel exclusion which does not require Office of State Travel's approval is rental cars procured through the mandatory Statewide Rental Car Contracts and road/bridge tolls in conjunction with the contracted vehicle rental. At the agency's discretion, cardholders are allowed to use their P-Card for in-state rentals at Enterprise Rent A Car (MCC Code 3405), and for out-of-state rentals at Enterprise Rent A Car (MCC Code 3405), National Car Rental (MCC Code 3393) and Hertz Car Rental (MCC Code 3357) as well as road/bridge tolls incurred with the contracted rental.

This program does not allow cash withdrawals/transactions or any attempts for cash transactions, as cash is prohibited and blocked from this program.

Any exception to this policy requires approval from the Office of State Travel and will be considered on a case-by-case basis and should be in writing on the Exemption Request Form and forward to the Office of State Travel for consideration <http://www.doa.la.gov/osp/Travel/forms/DOApcardExceptionRequest.pdf>.

In the event that an agency public/post-secondary/board/commissions entity fails to comply with the requirements for participation in the P-card Program, the result of noncompliance may be removal from the P-Card/CBA Program.

If travel has been approved, documentation should also contain airline exceptions, justifications, approvals, travel authorization, travel expense, etc.

WORKS – Bank of America’s web-based system used for program maintenance, card/CBA issuing/suspension/cancellation and reporting.

WORKS Workflow – Bank of America’s online system that includes user profiles and transaction workflow. For ISIS and LaGov interfaced agencies, transactions are coded and interfaced to the ISIS/LaGov systems for payment monthly.

II. ROLES AND RESPONSIBILITIES

A. OFFICE OF STATE TRAVEL

The State of Louisiana, Office of State Travel is responsible for the statewide contract administration of the Corporate Liability “LaCarte” Purchasing Card/CBA Program and serves as the central point of contact to address all issues and changes necessary to the overall program, and coordinate such changes with the contractor, Bank of America.

The Office of State Travel will issue and maintain the Statewide Policy. If the state’s policy or the program limits change statewide, a revised State of Louisiana Corporate Liability “LaCarte” Purchasing Card and CBA Policy will be issued by the Office of State Travel.

The Office of State Travel will approve agency participation in the program and along with the agency identify the allowable Merchant Category Codes (MCC) and their limits.

The State Program Administrator oversees the Statewide Purchasing Card Program and serves as a liaison between the Agency Program Administrators to address all issues and changes necessary to the overall LaCarte program and coordinates any changes with Bank of America.

B. AGENCIES PUBLIC/POST SECONDARY, BOARDS AND COMMISSIONS

Each Agency is responsible for developing and implementing a P-Card Policy documenting within all internal procedures and ensuring that they are in compliance with the guidelines of the Statewide Corporate Liability “LaCarte” Purchasing Card and CBA Policy”. Policies should be updated as necessary with changes which may occur in the Agency’s internal procedures and/or State’s Corporate “LaCarte” Purchasing Card Policy provided by the Office of State Travel and Bank of America. Agency policies and procedures may contain terms, conditions and limits more restrictive, but not more liberal, than those in the Statewide Purchasing Card Policy. Whenever a State Agency’s policy is more restrictive than the Statewide Purchasing Card Policy, then the State Agency policy takes precedence.

Agency responsibilities include administration of its Corporate Liability P-Card/CBA program and compliance with all state guidelines identified herein, any purchasing policies, rules and regulations, mandates, Louisiana Statutes,

Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable.

The agency is responsible to ensure that the cardholders are using the P-Card properly, therefore the agency is expected to know general policies and procedures governing the agency's Purchasing Card Program, specifically the Program Administrators. Agencies are encouraged to add LaCarte compliance requirements as part of their employees Performance Evaluation System (PES).

It is strongly urged that agencies establish controls for pre and post approval of items on the P-Card. A strong system of internal controls is essential for detection and deterrence of fraud, cardholder misuse, or cardholder abuse of the P-Card. Internal controls include policies, procedures, and training in addition to spending limits and Merchant Category Code restrictions.

Additional documentation steps, that are strongly recommended, which would strengthen controls in the review process include:

- Documenting the reason for the purchase (case number, project, etc.) on the receipt along with signature from cardholder and supervisor.
- Inventory type purchases (electronic, etc.) should have "received by" and a signature on packing slip or other shipping documentation to ensure that the purchase arrived and is accounted for at the agency.

P-Cards are issued with corporate liability, under which the state is liable for the cost of the purchases. The program is based on the strength of the State's financial resources, not the personal finances of the cardholder. Due to the state liability, P-Cards are to be issued to State of Louisiana Employees only.

In addition to establishing proper controls and agency's procedures, agencies are responsible for:

Determining appropriate cardholders and setting individual limits for a single transaction, daily and/or cycle transaction limits. At a minimum P-Cards will be issued with dual limits. The agency is responsible for setting the individual cardholder's limit and determining the overall cycle limit (monthly credit limit). An agency may allow a single purchase limit (SPL), agency-wide or on an individual card basis, up to \$5,000 without prior approval from the Office of State Travel. Limits by the agency should reflect the individual's purchasing pattern. These are preventive controls and, as such, should be used judiciously. Exceptions to the single purchasing limit may be requested from the Office of State Travel by submitting the LaCarte Request for Exception Form <http://www.doa.la.gov/osp/Travel/forms/DOApcardExceptionRequest.pdf>. The Office State Travel must approve in writing any authority for a SPL or a one-time override above \$5,000. Agencies are cautioned when increasing the SPL that best practice calls for the SPL to be limited to the lowest amount that is needed for the duties of that individual.

The Request for Exemption Form would also be applicable to open any MCC codes which are prohibited or restricted. Request will be considered if the agency is in compliance with the program, with the State guidelines, adequate staff experience and training are demonstrated with factors that promote the overall use of the program and if the approval by the Office of State Travel is determined to be in the best interest of the State. It is also best practice to issue only one card per cardholder.

GENERAL CONDITIONS

1. Training must be conducted when a new card is issued and a new approver is assigned as well as annually thereafter to ensure that all program participants, such as program administrators, cardholders, CBA administrators, cardholder approvers, and any other applicable personnel that has a role in administering this program, is aware of all duties and responsibilities associated with possession/use of a State Corporate Liability P-Card.

2. Cardholders must be approved by appropriate agency authority and cards distributed only to frequent purchasers/travelers, based on the request of a supervisor, manager or department head, not as an automatic process upon hiring.
3. No P-card including a CBA account shall be issued to program administrators, department heads, auditors of the program or any person with roles associated with administering and monitoring the program including the person responsible for monthly audits/reports and second level review of the agency's program. If it is a justifiable hardship for one of the above positions not be allowed to possess a P-card, a written request must be submitted to the Commissioner of Administration including detailed justification as to why this is not feasible and what precautions will be taken to guarantee the security and validity of purchases. Specific approval from the Commissioner of Administration must be obtained prior to issuing a card to an individual listed above.

The only exception regarding an employee possessing a card with a role in the program is a cardholder approver. However, in order for a cardholder approver to possess a p-card, monthly audits, sign-off in WORKS (once implemented into Workflow), and all other responsibilities listed throughout this policy for a cardholder approver, must be fulfilled by someone which is at least one level higher than the approver.

4. Monitoring cardholders which are not active and adjusting the SPL's and/or monthly cycle limit accordingly based on changes in needs and cancelling cards when not utilized in a twelve month period. A card may only remain active, if dormant for a twelve month period by justification and approval from the Office of State Travel. If approved, the card must be suspended and profile change to a \$1 limit until future need for activation. An example of the need for a card that may be dormant for 12-months is that the card is being maintained for emergency situations only.
5. There must be separation of duties between the person responsible for conducting the monthly audit reports and/or the second level review, they should not be an approver or cardholder for transactions they will ultimately audit.
6. To allow for proper and complete program audits, all participating agencies will be mandated to implement WORKS Workflow, which is an online system through Bank of America. The system captures transactions which requires both the cardholder and cardholder's approver's electronic signatures before a cardholder's credit limit will refresh, along with the ability to maintain receipts and backup supporting documentation electronically in one central location through the mandated scanning feature, therefore, assisting with audits and reviews. The system allows for an additional level of approval, beyond the cardholder and approver, allowing a second level of review. It is recommended that agencies utilize this function as an additional internal control for detection and deterrence of fraud, cardholder misuse or cardholder abuse of the P-Card.
7. All P-Card transactions must have a detailed receipt, not a generic description such as "general merchandise" or should be fully documented elsewhere, (both paper and an un-editable electronic form, once an agency has implemented Workflow) and must be in accordance with current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 (<http://www.doa.la.gov/Pages/osp/Travel/Index.aspx>), as applicable.

8. Default/override accounting codes must be assigned to each transaction if the agency has created an interface with their accounting systems. ISIS/LaGov interfaced agencies are mandated to interface the accounting function of WORKS Workflow which ultimately interfaces into the ISIS/LaGov accounting systems. All other agencies, post/secondary, boards and commissions, which are non ISIS/LaGov interfaced agencies have the option to interface WORKS Workflow into their accounting system. Although the accounting function is not mandated for non ISIS/LaGov agencies it does not negate any other mandated requirements in WORKS Workflow.
9. Participating Agencies with internal auditors should include the activities of the LaCarte Purchase Card in the annual risk assessments that are conducted on the Agencies. If the activities of the purchase card programs are deemed to be high risk, the internal auditors should address this area of high risk like others identified within an Agency in developing their annual audit plans and work schedules. Conducting an audit of the purchase card program no less than once every 3 years, however, is encouraged by the Office of State Travel.

Upon initiating an audit of the LaCarte Purchase Card activities, internal auditors should notify the Office of State Travel via email. In addition copies of all completed audits should be provided to the Office of State Travel.

Agencies who do not have internal auditors and cannot comply with the above requirements must submit in writing to the Office of State Travel that they are unable to meet this requirement including the date of the last legislative audit or external audit of the agency's card program. Copies of all completed audits should be provided to the Office of State Travel.

COMPLIANCE WITH LAWS AND POLICIES

Agency Program Administrators are responsible for maintaining on file proof of ongoing training records including agency's policies and procedures for all of their cardholders and approvers as well as the sufficiently documented internal controls and other measures (i.e. audits) to prevent and/or detect misuse or abuse of the P-Card and other accounts.

INTERNAL CONTROLS

1. Maintain budgetary controls.
2. Determining allowable merchant category codes based on individual needs and the State's allowances.
3. Educate program participants on State and agency policy requirements, procedures and allowances.
4. Educate program participants on use of the card sales tax requirements.
5. Educate cardholders on process of reporting a card lost, stolen and/or any fraudulent activity.
6. Develop written procedures for ordering and canceling cards when lost or stolen or when a cardholder leaves employment including an exit interview. An exit interview should include a review by the cardholder and supervisor/approving official and/or program administrator of all current charges on the account, verifying that all necessary original supporting documents, original receipts and required signatures have been obtained. Receipts are attached to each transaction in WORKS and both the cardholder and approver have signed off on all transactions in WORKS once the agency has been implemented into WORKS Workflow. Cards should be returned to the agency program administrator to cancel and destroy.
7. Develop procedures for travel allowances in accordance with State Liability Travel Card and CBA Policy, if requested by the agency and approved by the Office of State Travel.
8. Develop a paper purchasing card log used to assist in reconciliation process to include if the agency has not been implemented into WORKS Workflow or has chosen not to utilize the electronic log.
9. Develop and include approval procedures within internal policy and procedures for handling transaction approvals during extended absences of the cardholder and/or the supervisor/approver, especially once the WORKS Workflow is implemented.
10. Establish procedures for reducing P-Card cardholders to \$1 limits or suspending the card during an extended absence and/or until the cardholder returns. This will protect the cardholder and the agency during their absence.
11. Establish and enforce personnel policies to discipline employees in the event of abuse, misuse or failure to comply with established guidelines. Develop written procedures for reporting and documenting actual and/or potential cardholder abuse or misuse. Ensure that the

consequences, outlined in the agency's policy and procedures are executed and all program participants are aware of the consequences of certain actions involving the P-card Program.

12. Develop procedures to cover both P-Card and T-Card, if approved, for recovering unauthorized charges and/or overage of allowances as defined in PPM49. If abuse, whether accidental for P-Card and T-Card such as travel incidentals, occurs more than twice, cancellation is strongly encouraged.
13. Develop procedures for state, city, parish tax reimbursement for unauthorized tax exempt purchases, including travel, if approval is requested and granted. Also See State Liability Travel Card and CBA Policy.
14. Maintain list of all agency cardholder's names and their approvers in a central location, not units, departments, sections, etc. with documentation showing notification to approvers of the cardholders they are responsible for approving.
15. Ensure that every cardholder's business email address matches the cardholder's name in WORKS. Another cardholder's email address or a personal email may not be used without prior approval from Commission of Administration.
16. Establish agency Corporate Business Accounts (CBA's) and determining proper accountholder/authorized user. The contract travel agency must be notified of accountholder/authORIZER for each CBA account.
17. Annually, the program administrator, along with all cardholder approvers shall review cardholders, cardholder limits and ensure appropriate utilization. Documentation shall be maintained showing compliance with this requirement to include a list of all cardholders including a statement all were reviewed, signed and dated. **Please note:** The approver's agreement form cannot be substituted for this review, unless the agreement form is modified to add cardholder limits.
18. Develop procedures for online accounts, such as Amazon, PayPal, eBay, etc. These types of accounts, if necessary and allowed for use by an employee, must have a standalone business account or registration and must not be combined with an individual's personal account. By doing this, it allows the agency access to view the accounts online while verifying that all purchases were business related, email receipts were not altered and that all purchases are being delivered directly to the agency.
19. Ensure that transactions are audited monthly in accordance with the Audit Requirements, see Section VII.

C. DEPARTMENT HEAD

The Department Head or President for Higher Education is responsible for all P-Card Activity of the Agency and that the program is in compliance with all requirements and will be responsible for designating the Agency P-Card Program Administrators. Any changes to the State Agency P-Card Program Administrators and/or Department Head or President for Higher Education shall be submitted to the State Program Administrator in writing immediately upon any changes, on the State Purchasing Card Program Administrator Change form <http://www.doa.la.gov/osp/Travel/lacartepcard/lacartecardadminr.pdf> and signed by the State Agency's

D. AGENCY PROGRAM ADMINISTRATOR

The Agency Program Administrator serves as the main point-of-contact for all card program personnel and serves as a liaison between their Agency, the Office of State Travel and the issuing bank. It is mandated that the agency have at a minimum of both a Primary and Secondary Program Administrator. Agencies unable to meet the requirement of both a primary and secondary Program Administrators must submit a request for approval from the Office of State Travel with justification as to why this requirement cannot be met. Any or all of the following administrative responsibilities may be delegated to another individual, however any person with any administrative roles may not possess a card.

The Agency Program Administrators or agency designee must fulfill responsibilities in the following areas:

2. Maintain the annual, original signed agreement form for the State of Louisiana Corporate Liability P-Card Program for all participants of the P-Card Program. A copy of the signed agreement along with the state and agency policies, or a link to all policies, current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable, shall be provided to the program participant.

16. Terminate a cardholder's status as a cardholder and canceling P-Cards through WORKS.
17. Immediately inform the State P-Card Program Administrator of any misuse, abuse or fraudulent use of a P-Card.

E. SUPERVISOR/APPROVER

The approver is the Agency employee who approves purchases made by the cardholder to which he or she is assigned. Approvers are limited to **twenty** cardholders and must be the immediate supervisor or the person most familiar with the cardholder's business needs that is at least one level higher than the cardholder. By approving each P-Card transaction, the approver exercises critical control by ensuring authorized and appropriate P-Card use and correct allocation of expenses in accordance with all purchasing policies, rules and regulations, statutes, executive orders, mandates, policies and PPM49 as applicable. No cardholder may approve his or her own P-Card transactions. **The cardholder shall never be the final approver of his own monthly P-Card log/online transactions.**

The approver has the following responsibilities:

1. Obtain, review and understand the state and agency policies. Maintain knowledge of all applicable current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable on use of the P-Card. Keeping informed of program updates as sent from the agency program administrators or anyone else associated with the P-Card program.

5. Along with the Program Administrator complete an exit review, with the cardholder, of the cardholder's transactions, supporting documentation and receipts, as well as, obtaining necessary signatures prior to departure including uploading back up documentation and receipts and signing off on all transactions in WORKS.
6. Ensure that the P-Card is obtained from the employee upon separation or change in department/section and return card to agency program administrator. Ensure that agency program administrator makes necessary changes to cancel the card and to remove approver as the employee's approver and/or employee from the list of cardholders for which approver is responsible, once the cardholder has completed the exit interview.
7. Ensure that either approver or the cardholder notifies the agency program administrator if card is lost, stolen or has fraudulent charges. Ensure the cardholder immediately notifies the bank as well.
8. Ensure each transaction, to the best of approver's knowledge:
 - Has an appropriate business purpose, not for personal use, fits the cardholder's business needs.
 - Is in compliance with all current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable.
 - Includes an original receipt and complete supporting documentation, including a detailed line item description where generic descriptions is on receipts such as "general merchandise",.

 - Has been coded properly for payments as outlined in the agency policy and procedures and as required in WORKS Workflow for ISIS and LaGov interface agencies.
 - All documentation correspond with the program cycle dates (which begin the 6th of one month and ends the 5th of the following month).

NOTE: It is the Approver's responsibility to verify the validity of each transaction, and that complete original documentation exists to support each purchase, service and/or credit, verifying that the purchases are for official state business, by reviewing both the original documentation and the attached documentation to each transaction in WORKS workflow.

9. The immediate supervisor/approver must review the information and original documentation entered and scanned into Workflow, and submitted by the cardholder prior to signing off on the transaction in WORKS. If the information is not correct, the Supervisor/Approver should flag the transaction and electronically return it to the Cardholder for additional information and/or correction.
10. All transactions must be approved in WORKS by the approver and not auto signed off. WORKS approver in WORKS must be the cardholder's supervisor that is at least one level higher and has a thorough knowledge of cardholder's job responsibilities and familiar with the business case and appropriate business needs for the cardholder's transactions in order to determine if purchases are job-related or otherwise authorized. A Supervisor/Approver's electronic approval certifies that the goods and/or services purchased are essential and necessary, appropriately budgeted for and are in compliance with all requirements herein.

NOTE: The immediate supervisor/approver must sign off on all transactions in WORKS before the cardholder's monthly credit limit will refresh. Approval by the approver certifies that the documentation is acceptable for each transaction that it was for official state business, that it is in compliance with appropriate rules and regulations, etc., as mentioned above and that it has been reviewed and is approved.

When transactions are made for the approver of a CBA account, the transactions must be 100% reviewed and signed off by a third level reviewer. The approver must sign off on the transaction in WORKS and he monthly billing statement, however the original monthly log and billing statement must also be signed by a the third level reviewer.

11. Ensure that a log, either electronic, once implemented into WORKS Workflow or on paper is completed by each cardholder. Both the log and original billing statement must be signed by both the approver and the cardholder. Both the cardholder and the approver must sign off electronically on every transaction in WORKS with no auto-sign off signatures before the WORKS Billing Cycle Log can be accepted as the signed log. Manual signatures are required on any electronic logs in which a transaction is missing either the cardholder or the approver's electronic signature. Electronic signatures are acceptable for the WORKS Workflow Billing Cycle Log only. Original Billing statements must be signed by both the cardholder and the approver, electronic or stamped signatures are not acceptable. The signed log or approved electronic log with electronic signatures of both the cardholder and the approver, signed original monthly statement, by both the cardholder and the approver, along with any findings and justifications, must then be forwarded to the agency's fiscal office for review and maintenance of the file.
12. Review, at a minimum annually, all cardholders which approver is designated as an approver along with profile limits to ensure appropriate utilization of the card and program intent. This will ensure that all cardholders limits, MCC Codes, etc., are working properly for the cardholder. If limits or codes are not allowing the cardholder to perform his duties, then the approver should contact the agency program administrator to make necessary adjustments.

Understand that failure to properly fulfill responsibilities as a P-card approver could result, at a minimum, in the following:

- Written counseling which would be placed in employee file for a minimum of 12 months.
- Consultation with agency program administrators, and possibly head of agency and internal audit section.

- Disciplinary actions, up to and including termination of employment.
- Legal actions, as allowed by the fullest extent of the law.

F. CARDHOLDER AND CBA ACCOUNTHOLDER/AUTHORIZER

All cardholders and CBA accountholders/authorizers must keep informed of program updates as sent from the agency program administrators or anyone associated with the program. Cardholders must have an understanding of state current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable on use of the P-Card.

Purchases should never be artificially divided to avoid the P-Card policy limits. Cardholders are prohibited from splitting a transaction between two or more transactions in order to circumvent the Single Purchasing Limit (SPL) imposed on the card regardless of the amount of the SPL. Section 6 of the current Small Purchase Executive Order reads “In absence of a good faith business basis, no purchase or procurement shall be artificially divided within a cost center or its equivalent, to avoid the competitive process or the solicitation of competitive sealed bids”.

CARD USAGE

1. Use P-Card for official state business only. No personal use. P-Card is limited to the person whose name is embossed on the card or the person assigned as the CBA accountholder/authorizer.
2. Annually complete all required state and agency training on policies and procedures and sign the Cardholder Agreement Form, with original documentation given to agency program administrator and a copy kept on file with the approver.
3. The Cardholder , CBA Accountholder/Authorizer is to never:
 - Loan to another person or use to pay for another person’s expenses without prior approval from the Office of State Travel.
 - Give account number or pin number to any individual other than the merchant in which a purchase is being made.
 - Include the full P-Card account number in emails, faxes, reports, memos etc. If necessary use of the last four or eight digits are allowed. In the event that using the full account number is necessary to make hotel reservations, caution should be exercised by the agency to ensure that the full account number is used in a secure environment with a valid hotel or hotel booking website and never filed with the entire account number. Caution should be made to blackout the account number on all documentation prior to maintaining on file.
 - Send a copy of the P-Card if requested by a merchant. If this is required for payment, then the cardholder must use another form of payment other than the State Liability P-Card.
 - Use an individual P-Card for personal, non-business expenses for any reason.
 - Pay State sales taxes on purchases with this card, since it is a state liability. See Section VIII regarding sales taxes.

- Use the P-Card to access or attempt to access cash under any circumstances.
 - Accept cash, gift cards or store credit in lieu of a credit to the P-Card account.
 - Purchase gift cards/gift certificates, without prior approval from the Office of State Travel, as they are considered cash and taxable.
 - Avoid procurement or payment procedures.
 - Purchase of alcohol, food, travel expenses or entertainment services without obtaining prior written permission from the Office of State Travel. If requested and approved, all travel expense transactions must be in accordance with the current State Liability Travel Card and CBA Policy and current PPM49 guidelines. The only exceptions are vehicle rentals. See Section II.B.
 - Fuel or vehicle maintenance if agency is part of the Fuel Card and Maintenance Program. However, in the event that the fuel program is not covered in a certain geographic area, then the P-Card may be used, and documentation of the transaction should be maintained indicating the reasons why a fuel card could not be used.
 - **NEVER MAKE A PAYMENT DIRECTLY TO THE BANK** in the event that an unauthorized charge is placed on the individual's state corporate liability P-Card. Making a payment directly to the bank will cause the monthly statement billing file to be out of balance, and the agency will have to determine the cause. Ultimately, it will be determined that a personal payment was made. In order to avoid this situation, report any unauthorized charges to the agency's program administrator immediately, along with decision on how the funds will be reimbursed back to the agency.
4. If approval has been granted for use for travel, cardholder must follow the State Liability Travel Card and CBA Policy for all travel transactions. It is the cardholder's responsibility to submit their required travel expense form and all required transaction documentation special approvals, etc., timely and in accordance with their agency's internal policy and procedures to help ensure it is paid timely by the State.
 5. Notify the agency's program administrator if fraudulent charges are noticed, as the card may need to be cancelled and another card issued.
 6. Notify the agency's program administrator if use of a card has changed and lower or higher limits are necessary.
 7. Immediately report a lost or stolen card by calling Bank of America at 1-888-449-2273.
 8. Agrees to complete an exit interview with supervisor/approver and return the P-Card immediately upon request or upon separation from the agency. Cardholder should discontinue use of the purchasing card immediately upon notification of separation. This will allow sufficient time for receipts to be submitted and for outstanding charges to be processed before leaving employment. Failure to do so may result in charges not being reconciled.
 9. Notify the Program Administrator immediately when anticipating and/or prior to an extended leave of absence. Ensure that all transactions have been reconciled and signed by both the cardholder and cardholder's supervisor/approver. Ensure that the account has been

suspended until the cardholder returns to work. Types of extended absences would include maternity leave, family medical leave, medical leave, military obligations, sabbaticals, etc.

10. Complete a monthly log, either paper or electronic. For Agencies implemented into WORKS Workflow, the Billing Cycle Log meets the requirements of the electronic log. The log and original monthly billing statements must be signed by the cardholder and approver. Use of the WORKS Billing Cycle Log for reconciliation eliminates the need for manual signatures on the log since the sign off in the system constitutes an electronic signature as long as it shows both the cardholder and approver signoff/date. Signature stamps are not permitted.

Failure to comply with the above requirements may result in revocation of card privileges and/or disciplinary action.

WORKS WORKFLOW

1. Cardholders must enter comments and/or line item descriptions for each transaction. This allows program administrators, auditors, and other third parties more oversight of transactions. Comments should include the purpose of the purchase, for whom the purchase was made, and other relevant information to allow outside parties to determine that the expense was business-related.
2. Cardholders must upload and attach a copy of the invoice or receipt and any other relevant documentation (e.g. email correspondence) to the applicable single transaction in WORKS Workflow and not one upload for multiple transactions. Attachments must meet the following requirements:
 - Be a PDF document
 - Be legible (e.g. not too dark, not too light)
 - Contain copies of all pages of invoices or other documents.
3. If applicable cardholder must add accounting codes to the GL segments.
4. Cardholder's must sign off on all transactions in WORKS before the monthly credit limit will refresh.

G. STATE CORPORATE CARDLESS BUSINESS ACCOUNT (CBA)

The purpose of a CBA is to provide a tool for agencies to purchase airfare, conference registrations and assist with payment of high dollar travel expenses, as per current State Liability Travel Card and CBA Policy. Please realize that although other travel related charges are now allowed on the CBA account, the traveler should be aware that there is no plastic issued for a CBA to ensure that this will not impair his travel plans. Other types of purchases, such as utility bills and monthly recurring charges are allowable on the CBA with approval from the Office of State Travel.

CBA accountholders/authorizers are to follow all individual cardholder procedures, trainings and certifications, rules, regulations, guidelines, as outlined in this policy and the agency policy, including original documentation and forwarding signed log or approved electronic log, by both administrator and

approver, signed original statement, by both administrator and approver, and supporting documentation to agency's fiscal office for review and file maintenance.

All CBA travel transactions must be in accordance with PPM49 guidelines,

<http://www.doa.la.gov/Pages/osp/Travel/Index.aspx>, State Liability Travel Card and CBA Policy,

<http://www.doa.louisiana.gov/osp/travel/corptravcard/travcard-cbapolicy.pdf>, current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, and internal agency policies and procedures as applicable.

1. Unless approval has been granted by the Office of State Travel to utilize the CBA for other type charges.
2. The account(s) must be issued in the name of the agency and not an individual person (the accountholder/authorizer is identified in WORKS Workflow by their business email address). The agency must designate one individual identified as the accountholder/authorized to use the CBA account. Use of the account by any other person is considered misuse of the account(s), even if the purchase is for legitimate State business. The contract travel agency must be notified of accountholder/authorizer for each CBA account.
3. CBA account(s) shall have an overall card cycle limit as well as a STL determined by the agency. STL on CBA accounts ONLY are allowed for transactions over \$5,000 as determined by the agency since only non-competitive travel expenses are allowed. These limits should reflect the agency's travel patterns. Therefore, these limits must be judiciously established by the agency and adhered to accordingly. The agency Program Administrator may establish a new or additional CBA account through Bank of America's on-line system, WORKS.
4. CBA accounts do not allow issuance of a plastic card. These are referred to as ghost accounts. If it is determined that personal or other unauthorized charges are occurring on the CBA account, appropriate steps, up to and including dismissal, shall be taken to resolve the misuse/abuse of the account. See Section VI, Card Misuse.
5. The full CBA account number shall never be included in emails, fax, reports, memos, etc. If an account number is necessary, only the use of the last four or eight digits of the account number is allowed. In the event that using the full account number is necessary to make hotel reservations, caution should be exercised by the agency to ensure that the full account number is used in a secure environment with a valid hotel or hotel booking website and never filed with the entire account number. Caution should be made to blackout the account number in the documentation prior to maintaining on file.

Note: WORKS does not allow for the CBA accountholder/authorizer's name to populate in the accountholder signoff, it defaults to the name associated with the CBA account, therefore all electronic Billing Cycle Logs for all CBA accounts must be signed by both the cardholder and the supervisor/approver responsible for the CBA acknowledging that all transactions are for state business.

H. DECLARED EMERGENCY

In the event of a State of Emergency declared by the Governor declares a state of emergency, the P-Card may be changed to allow higher limits and opening of certain MCC codes for essential employees who are cardholders that would be active during an emergency situation and not all cardholders. An emergency

profile must be created in WORKS which shall not exceed the following limits, without prior approval from Office of State Travel: SPL (single purchase limit) \$25,000, Travel and Rest MCC Groups may be removed if determined to be necessary for group accommodations however, the Cash MCC Group must remain attached to the profile at all times, as the use of cash is never allowed, even during emergency situations.

Higher limits do NOT eliminate the need to follow emergency procurement rules, policies, procedures, mandates and/or executive orders.

It is the Agency Program Administrator's responsibility to ensure that all cards are returned to their original profile once the emergency declaration has expired and/or when higher emergency limits are no longer necessary.

III. SECURITY

Each cardholder, CBA administrator, agency program administrator, auditor, cardholder approver, or any other employee participating in the program, is responsible for the security of their card, WORKS user ID(s) and password(s), and therefore should:

1. Never allow someone else to possess their card.
2. Recognize that the P-Card is the property of the State of Louisiana and the cardholder is responsible for the physical security and control of the P-Card and its appropriate use.
3. P-Cards are issued in the employee's name and are not to be used by anyone other than the person identified on the card. When not in use, cards should be kept in a secure location accessible only by the cardholder. Cardholders are responsible for the security of the P-Card and the transactions made against them, as well as ensuring purchasing guidelines and internal controls are followed. The Cardholder is also responsible for maintaining the security of card data such as the account number, pin number, the expiration date, and the card verification value (CVV), the 3-digit security code located on the back of the card. **Note:** CBA's are issued in the Agency's name only with each account assigned to a single individual.
4. Never display the Card Account Number, WORKS and WORKS Workflow user ID and passwords around their work area.
5. Never give the Card Account Number, user IDs or passwords to someone else.
6. Never **email** the full account numbers or user ID numbers or passwords or store full account numbers in supporting documentation. In the event that using the full account number is necessary to make hotel reservations, caution should be exercised by the agency to ensure that the full account number is used in a secure environment with a valid hotel or hotel booking website and never filed with the entire account number. Caution should be made to blackout the account number when documentation prior to maintaining on file.
7. Secure assigned WORKS application User IDs. Never share User ID, password or pin number and/or leave work area while logged into the system or leave log-in information lying in an unsecure area.
8. Never share user IDs and passwords and/or leave work area while logged into the system or leave log-in information lying in an unsecure area.

IV. DOCUMENTATION

Documentation must be adequate and sufficient to adhere to purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 and for recording of expenditures in the state/agency accounting system as applicable. Once an agency has completed implementation of WORKS Workflow, the agency must ensure that all supporting documentation along with the original receipts are scanned and attached to each corresponding transaction.

It is the cardholder's responsibility to obtain itemized original receipts and any other documentation. Original documentation is required for all purchases and credits regardless of the order method. For items purchased over the counter, the cardholder should obtain the original customer receipt. When ordering by telephone, fax, or computer, the cardholder must obtain a packing list or similar document. For items such as registrations, where the vendor does not normally generate a receipt or packing slip, a copy of the ordering document may be used. Acceptable documentation must include a line description, with full description not a generic "general merchandise" description, and line item pricing for the purchase. Electronic receipts are allowed if they are un-editable and are maintained in compliance with the agency retention policy. For internet purchases, the print out of the order confirmation showing the details, or the printout of the order details, or the shipping document if it shows what was purchased, the quantity and the price paid suffice for the itemized receipts.

If a receipt is not furnished by the merchant (as may be the case with a phone or Internet order), documentation such as an order confirmation, packing slip, or invoice, etc. shall be obtained and shall contain an itemized and detailed description of the purchase. All receipts must give an itemized and detailed description of the purchase and must include at a minimum:

1. Merchant Name
2. Date of Purchase
3. Description (a receipt description, which only states "Miscellaneous", or "Merchandise", or only includes a vendor's stock or item number, is not acceptable).
4. Unit price and quantity
5. Transaction total

If a cardholder does not obtain an original receipt and a duplicate cannot be obtained, the cardholder should follow their agencies internal procedures related to the use of the Missing Receipt Form. Multiple uses of the form in a fiscal year should result in suspension of card privileges for a period of time determined by the agency.

All required original documentation ((both paper and in an un-editable electronic format, once Workflow has been implemented), special approvals, etc., must be submitted timely and in accordance with their agency's internal policy and procedures.

The immediate supervisor/approver must verify and ensure that the following controls are being met and that transactions are appropriate, accurate, have a business case and business need for the purchase, all receipt dates and other supporting documentation dates are applicable with known need or business travel, if applicable, and were approved. Documentation of approval must be accomplished by a signature on a paper P-Card log, and once agency has completed Workflow implementation, electronically online by signing off on the transaction.

1. Acceptable complete original documentation exists both paper and in an un-editable electronic format, once Workflow has been implemented, to support each purchase, service and/or credit, verify that purchases are for official state business, and complies with any current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 as applicable, as all must be followed during the use of the LaCarte Purchasing Card and this policy.

2. Confirm all supporting original documentation, including complete line item descriptions where generic descriptions is on receipts such as “general merchandise”, the signed log or approved electronic log with electronic signatures of both the cardholder and the approver, no auto-sign offs and signed original monthly statement, by both the cardholder and the approver, along with any findings and justifications, must then be forwarded to the agency’s fiscal office for review and maintenance of the file.

Cardholders must complete a transaction log monthly, either paper or electronic. Once WORKS Workflow has been implemented, a “Billing Cycle Purchase Log” is available as an un-editable, PDF formatted electronic log. All logs and original monthly billing statements must be signed by the cardholder and the approver. Use of the WORKS “Billing Cycle Log” eliminates the need for manual signatures on the log only, as long as every transaction has been signed off in WORKS by both the cardholder and the approver as the data generated at the time includes the most current signoff information with the date and time stamp of the approval. Paper logs as well as electronic logs missing any electronic signature and Monthly Billing Statement must be manually signed by both the cardholder and the approver, electronic or stamped signatures are not acceptable.

All original receipts and original supporting documentation must be maintained in a central location, such as the agency’s fiscal office, not units, departments, sections, etc., and maintained in one central location.

The agency cardholder approvers will forward all original supporting documentation along with original invoices, receipts and signed paper or approved electronic log, by both the cardholder and the approver, and the signed original statement, by both the cardholder and the approver, and any findings and justifications to the agency’s fiscal office for review and maintenance of the files in accordance with record retention laws. This file must be centrally located in the agency’s fiscal office, not units, departments, sections, etc., and will be subject to review by the Office of State Travel, the Louisiana Legislative Auditors Office and any other duly authorized auditor.

All system entries and scanned supporting documentation, when utilizing Workflow and electronic approvals are maintained electronically within the WORKS Workflow online system for up to 3 years. If an agency requires documentation retention for more than 3 years, it is the responsibility of the agency to obtain and archive the transaction data annually.

Failure to comply with the above requirements may result in revocation of card privileges and/or disciplinary action.

V. CARD MISUSE

Cardholders, program users, or supervisors/approving officials, auditors or anyone associated with the program who knowingly, or through willful neglect, fail to comply with the requirements may be subject to suspension or termination of account privileges or other disciplinary action, up to and including termination of employment and criminal prosecution to the fullest extent of the law.

A. FRAUD PURCHASES

Any use of the P-Card/CBA which is determined to be an intentional attempt to defraud the state for personal gain or for the personal is prohibited. An employee suspected of having misused the P-Card/CBA with the intent to defraud the state will be subjected to an investigation. Should the investigation result in findings which show that the actions of the employee have caused impairment to state service, and should those findings be sufficient to support such action, the employee will be subject to disciplinary action. The nature of the disciplinary action will be at the discretion of the Agency’s Appointing Authority and will be

based on the investigation findings and the record of the employee. Any such investigation and ensuing action shall be reported to the Legislative Auditor, the Office of Inspector General and the Director of the Office of State Travel. Also, the agency's policy should state the specifics regarding repayment including actions taken, timeframe for repayment and consequences if repayment is not made in accordance with the agency's policy.

Any recognized or suspected misuse of the P-Card Program should be immediately reported to the agency program administrator and may be anonymously, reported to the State of Louisiana Inspector General's Fraud and Abuse Hotline at 1-866-801-2549 or for additional information one may visit <http://oig.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&nid=3&pnid=0&pid=4&catid=0>.

Cardholders and other program personnel are prohibited from using the P-Card and other accounts (e.g. CBA's) for the purchase of any goods or services not directly or indirectly related to official State of Louisiana business. Intentional use of the card for personal purchases will result in disciplinary action, up to and including termination from State employment and criminal prosecution.

Supervisors or other approving officials who knowingly, or through willful neglect, approve personal or fraudulent purchases are subject to the same disciplinary actions as those making the purchase.

B. NON-APPROVED PURCHASES

A purchase made by a State cardholder for which payment by the state is unapproved. A non-approved purchase differs from a fraud purchase in that it is an unintentional misuse of the P-Card/CBA with no intent to deceive the agency for personal gain or for the personal gain of others.

A non-approved purchase is generally the result of a miscommunication between a supervisor and the cardholder. A non-approved purchase could occur when the cardholder mistakenly uses the P-Card/CBA rather than a personal card.

When a non-approved purchase occurs, the cardholder should be counseled to use more care in handling of the P-Card/CBA. The counseling should be in writing and maintained in the employee's file for no longer than one year unless another incident occurs. The employee should be made to pay for the item purchased inappropriately. Should another incident of a non-approved purchase occur within a 12-month period, the Agency's Appointing Authority should consider revocation of the P-Card/CBA.

Consequences for either type of purchase mentioned above must be clearly documented in the agency policy and fully executed when applicable.

C. MERCHANT FORCED TRANSACTIONS

1. Commercial cards are accepted by a variety of merchants that process transactions only if approved by the issuing bank thereby abiding by the card controls in place. Merchant transactions

are processed using one of the 2 steps as follow: Merchants process transactions against card controls (MCC, limits, expiration date, etc.) and, if approved, receive an authorization number.

2. Merchants submit the transaction for payment from the bank,
 - In rare instances, merchants will circumvent the authorization process and only perform step 2. This means that the merchant didn't process the transaction against the card controls and therefore did not receive an authorization number.
 - If this happens, the merchant has forfeited all dispute rights and the transaction can be disputed and unless the merchant can provide a valid authorization number, the dispute will be resolved in the cardholders favor.

VI. DISPUTES

In the event cardholder finds items on the monthly billing statement that do not correlate with retained receipts and supporting documentation, transactions not made by the cardholder, incorrect transaction amounts, or if there is an issue with service or quality, the cardholder's first recourse is to contact the merchant to try to resolve the problem.

If the merchant agrees an error has been made, they will credit the cardholder's account. The credit should appear on the next monthly billing statement. Cardholder should check the next statement for credit.

If the problem with the vendor is not resolved, the Statement of Disputed Item Form (Statement of Disputed Item Form may be obtained at <http://www.doa.la.gov/Pages/osp/Travel/forms.aspx>) must be completed and mailed or faxed with required enclosure within 60 days from the billing close date (5th of each month) to:

Bank of America – Commercial Card Services Operation
P O Box 53142
Phoenix, AZ 85072-3142
Phone: (800) 410-6465 Fax: (888) 678-6046

A copy of the dispute form should be sent to the Program Administrator.

The transaction will be paid; therefore, it is important for cardholder to mark purchasing documentation as "**DISPUTED**". Cardholder should retain a copy of the disputed documentation and verify receipt of the credit on future statements.

All disputes must be identified in writing within 60 days of the billing statement. Bank of America will then resolve disputes within 180 days.

Sales tax is not a disputable item. It is the responsibility of the cardholder to ensure that merchants are advised that the purchase is sales tax exempt and provide the tax exemption number.

VII. SALES TAX

Cardholders are responsible for ensuring that merchants do not charge tax or provide a credit for inadvertent charges.

1. P-Card/CBA charges are a direct liability of the State; therefore, as a rule Louisiana State sales tax should never be charged on card purchases. The State of Louisiana tax exemption number is printed on the front of the P-Card.
2. It is the cardholder's responsibility to ensure that state tax is not charged. Cardholders must make every effort at the time of purchase to avoid being charged Louisiana State sales tax, if in-state sales taxes are charged, it is the cardholder's responsibility to get a credit issued to their card, or the cardholder should be made to reimburse the agency the total amount of the state taxes. Documentation of attempts to obtain credit for any State Sales Tax charged in error must be maintained with the documentation for the transaction where the tax was charged.
3. In the event state sales tax is charged and a credit is warranted, it will be the cardholder's responsibility to have the vendor-merchant (not Bank of America) issue a credit to the cardholder's account.
4. See current State Liability Travel Card and CBA Policy Section III for state related travel exemptions. (<http://www.doa.louisiana.gov/osp/travel/corptravcard/travcard-cbapolicy.pdf>)

VIII. AUDIT REQUIREMENTS

All transactions and original supporting documentation must be, at a minimum, randomly audited monthly, by a second party; either the agency's fiscal section or the agency program administrator. To maintain segregation of duties the program administrator or second reviewer(s) cannot be an approver and have the responsibility of auditing the monthly reports.

Agencies are responsible for performing post audits of cardholder transactions to monitor appropriate use while verifying that purchases are made in accordance with Corporate Liability "LaCarte" Purchasing and CBA Card Policy, all current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49. The bank will provide reporting capabilities at no cost to each agency. Remember all transactions MUST have an original receipt. Once the agency has completed the implementation of Workflow the receipt and any supporting documentation must be uploaded electronically to WORKS and attached to the applicable transaction. Electronic copies must be unalterable and readily available to auditors when requested. The agency is responsible for securing and archiving transaction data as required by the business operations of the agency. If using WORKS Workflow, data is available electronically for up to 3 years. If using IntelliLink, data is only available for a 27 month rotating period. If an agency requires documentation retention more than stated above, it is the responsibility of the agency to obtain and archive the transaction data annually.

It is the agency's responsibility to not only review the data gathered, but to make certain that transactions are for a business purpose and have a legitimate business need for the cardholder. In the event that a transaction is being investigated, the cardholder must explain and justify the transaction being questioned. Based on the cardholder's explanation, the agency should address the situation accordingly. All backup documentation should be kept together whether printed, on a secured shared drive, flash drive or any other form to consolidate findings and responses in one central location as well as eliminate loss of information when an employee separates from the agency for any reason. All generated reports showing no transaction activity should be screened printed and kept with reports generating data.

LaCarte Purchasing Card Program Auditing Reports (Attachment A) contain a list of reports created for agencies to use for monthly audit requirements of this program through WORKS and Visa IntelliLink. Some reports are required to be generated and reviewed at least once a month, while others have been created and designed as added value to assist in policy compliance. Although all of the reports are not required monthly, agencies are strongly encouraged to determine which of the reports are of the most value to them and should consider rotating them, at a minimum every other month.

All documentation/findings/replies including printed copies of reports generating no data, resulting from the monthly audit of P-card transactions, are to be maintained in a central location at the agency, not units, departments, sections etc., and readily available for any internal or external audits that may occur. Reports in Attachment A are available through WORKS and VISA IntelliLink. Data is available in WORKS for at least 36 months, Visa IntelliLink is available for a 27 rotating month period. If an agency requires documentation retention for more than 27 months, it is the responsibility of the agency to obtain and archive the transaction data accordingly.

Monthly reviews and inquiries, requested from the Office of State Travel, Division of Administration auditors, etc., to agency program administrators, must be answered in the time specified in the request. Currently for monthly reviews, at the minimum justification is required for each transaction, along with program administrator and agency verification that the transaction was for a business purpose and was in compliance with all state and agency card program policies, current purchasing policies, rules and regulations, mandates, Louisiana Statutes, Executive Orders, State Liability Travel Card and CBA Policy, internal agency policies and procedures and/or PPM49 Monthly certification that the above procedures have been conducted must be certified in certified in LEO, <https://wwwcfprd.doa.louisiana.gov/PCardCompliance/> by the 14th of the current month for the billing cycle ending 30 days prior. The certification will indicate that agency personnel administering the P-card program have generated the required reports, all requirements listed in the policy have been completed, and necessary findings have been investigated, documented and handled appropriately.

Once an agency has implemented WORKS Workflow, there are additional reports that can be created to give cardholder approvers, accountants, agency program administrators, auditors, and management information to monitor the compliance of their cardholders and staff. Data is available electronically within WORKS Workflow for up to 3 years. If an agency requires documentation retention for more than 3 years, it is the responsibility of the agency to obtain and archive the transaction data annually.

In addition, reports shall be used as a tool to assist the agency program administrator/agency with determining which cardholders may need a refresher training course, re-certification of the state's online training, counseling, cancellation of card, due to inaccuracies, etc., as well as, to determine possible changes to cardholder's limits, profiles, and MCC groups.

When WORKS Workflow implementation has been completed, a Billing Cycle Purchase Log report will be available electronically for print. It is an un-editable, PDF, formatted report. The WORKS Workflow system data is generated at the time of report request with the most current signoff information with the date and time stamp of the approval captured in the audit tracking along with all documentation which has been scanned to support P-card transactions and tied to the appropriate transaction. Always ensure that the correct cycle period/dates are entered when printing the log report. Cycle dates for the program begin on the 6th of one month and ends on the 5th of the following month.

IX. 1099 VENDORS

For this program, 1000 reporting responsibility is assumed by VISA

X. RECONCILIATION AND COST DISTRIBUTION

Agencies are responsible for developing internal reconciliation procedures to ensure that agencies monthly statements are reconciled timely and any issues addressed immediately with Bank of America prior to the payment due date. Reconciliation procedures that ensure timely payment and/or allocation of transactions to the General Ledger, documenting as appropriate for reconciliation of transactions including the use of Works Workflow. (**Note:** ISIS and LaGov agencies are mandated to utilize the accounting function in WORKS)

1. Agencies that have already implemented WORKS Workflow cardholder/approver/accountant would enter accounting distribution information for fund/agency/organization number and object if required by their agency in the online Workflow system. Reporting category sub object and activity are optional. Agencies that have not implemented Workflow, may continue to use a paper log, pertinent accounting information may be recorded on the “P-Card Log” or recording information directly on the original receipt from the vendor for each purchase, service and/or credit made with P-Card/CBA. Agency policy will determine who provides this information and how it is transmitted to the accounting department. All original supporting documentation including original receipts must be scanned into Workflow, tied to the transaction with original documentation forwarded, including signed paper log or approved electronic log, by both the cardholder and approver; the signed original monthly statement, by both cardholder and approver, along with any findings and justifications, to the agency’s fiscal office for review and maintenance of files
2. Cardholders will receive paper or electronic billing statements monthly from Bank of America within approximately 5 business days of the close of the billing cycle. If the cardholder statement is not received timely, the cardholder must notify the agency program administrator immediately so that a statement can be obtained for reconciliation purposes and filing with original documentation. Note: Transactions are available for processing online as soon as the transaction has posted to the WORKS online system.
3. Reconcile purchases/services charged during the billing cycle by matching the bank billing statement to his P-Card log. The log (either paper or un-editable electronic, once implementation into Workflow has been completed) along with the supporting documentation and bank billing statement must be reviewed and certified by the cardholder showing the purchases/services were received or reported as a disputed item. Once Workflow has been implemented, the cardholder must scan all original supporting documentation, original receipts, etc., into Workflow and tie each scan to the applicable transaction. The cardholder then forwards the signed log, either electronic or paper along with all supporting scanned documentation to his immediate supervisor/approver for his/her signature on both the log, and original billing statement after verifying that the log, documentation and statement are correct and have not been altered. All logs, original billing statements and original receipts/documentation must be forwarded to the agency’s fiscal office to maintain in one central location, not scattered within different locations, units, departments, sections, etc. For agencies that have completed implementation of the WORKS Workflow system, when a cardholder approves a transaction online, his signoff moves the transaction to the queue of their approver for their electronic signature.
4. Once all approvals and audits by cardholder approvers have been obtained and forwarded to the agency’s fiscal office, the agency’s fiscal office must review receipts in the program journal vouchers to correct any necessary coding changes. All original documentation must then be housed in the agency’s fiscal office.
5. It is crucial that all original receipts and original supporting documentation, including original signed statements, approval document(s), etc., as well as cycle log either paper or electronic be sent to the agency’s fiscal office, not units, departments, sections, etc., and maintained in one central location available to auditors and not scattered within different locations, units, departments, sections etc.

6. If it is determined that personal or other unauthorized charges are occurring on the card, appropriate steps, up to and including dismissal, shall be taken to resolve the misuse/abuse of the card. (See Section V; Card Misuse).
7. Upon notification by the immediate supervisor/approver that the cardholder reconciliation has been approved, the accounting section will ensure that the charges are distributed to the appropriate accounting codes.
8. It is the responsibility of each agency to contact the Bank if a paper statement is not received timely. Agencies should complete the reconciliation and distribution processes each month and prior to receiving the next billing cycle.

ISIS INTERFACE AGENCIES

1. Must establish and assign default/override accounting codes for transactions not otherwise coded through the electronic online WORKS Workflow. There will be a default accounting code for each appropriated program that will consist of the fund/agency/organization/object combination. Coding will be assigned either through online allocation or through the application of override codes during export from BOA to ISIS. Default/override codes are assigned by Office of State Reporting and Accounting Policy (OSRAP) and are included in the export programming when no allocation coding is applied.
2. Must run the ISIS Export File in WORKS before the close of business on the 14th of every month to ensure that all transactions are coded with applicable accounting codes for your agency and are imported properly into ISIS's financial system to create the agency's P3 document for payment.
3. The Agency will be responsible for notifying OSRAP of all instances that will require a change in the agency's structure. The Agency will be responsible for updating user restrictions within its instance when using the WORKS Workflow.
4. Ensuring a clearing (PPPP) or override organization code is set up for each corporate account (ISIS Agency) for miscellaneous charges and for cardholder transactions that have an incorrect or missing) code.
5. ISIS Agencies will be responsible for reconciling cardholder statement (paper or electronic) to electronic payment (P3 P-Card Vendor Payment Voucher Input Form) and distributing costs from the default/override accounting codes to the proper accounting codes. ISIS Agencies must notify OSRAP immediately of any discrepancies.
6. ISIS Accounting sections must review the P3's immediately upon their posting and determine if any discrepancies exist between the billing statement and the P3's. If a discrepancy does exist, the agency Accounting department should contact the agency's program administrator and/or Bank of America Account Specialist to determine how the discrepancy will be corrected. Once this information is received, Accounting must contact OSRAP (225) 342-1053. OSRAP will then determine if manual P3's have to be developed. This must take place prior to the 25th of each month.
7. Miscellaneous charges made to the corporate account must be reviewed, approved and reconciled. Miscellaneous charges will either default to the PPPP code or the override code from WORKS Workflow will be applied. Agency accounting departments must move these charges to the proper ORGN
8. If a cardholder's spending defaults to PPP or the override code programmed in WORKS Workflow, rather than their correct ORGN, an error has occurred. The P-Card exceptions report and the 1G08 report of detailed transactions can be used to determine the reason for a cardholder's spending or coding the transaction to the default PPPP or to some other incorrect code. The agency program administrator / accounting department must take steps to resolve the items on the report by contacting the bank and OSRAP if necessary to correct the routing error. This should be done prior to receiving the next month's

statement to prevent reoccurring errors. Cardholders who repeatedly have allocation errors should be counseled and retrained if necessary on the WORKS Workflow process and coding.

9. ISIS Agencies will prepare a journal voucher document (J6 or J2 or create a REJ6 record to automatically generate the J6 each month) to credit the default accounting codes (P-Card clearing organization and object) and debit the appropriate organization, object, reporting category, etc. Note: Payment for all ISIS Agencies will be made automatically on the 25th of each month regardless of the status of the reconciliation process.
10. ISIS Agency must reconcile the billing statement at the corporate account level to the electronic payment made to Bank of America. All charges and/or credits should be cleared from the P-Card clearing organizations each month for ISIS Agencies.

NON-ISIS INTERFACE AGENCIES

All charges made to the corporate account must be reviewed, approved and reconciled. Agencies will reconcile and distribute costs to their accounting system in a timely manner and according to agency policies and procedures.

Non-Interface Agencies not receiving an interface into their accounting system will be responsible to ensure that the reconciliation is completed. All payments must be paid in full, timely each month, with ONE electronic funds transfer (EFT) to Bank of America.

LaGOV AGENCIES

LaGOV Agencies must establish and assign default accounting codes for each cardholder in WORKS. The Agency will be responsible for maintaining the Accounting Code and the cardholder defaults when there is a change in the agency's structure. WORKS will be set to validate accounting codes. When there is a timing issue that results in a transaction being interfaced with an accounting code that is no longer valid in LaGov, the transaction will post to a default fund/cost center.

LaGov Accounting sections must review the Statement Billing File (SBF) invoice postings to determine if there are discrepancies between the billing statement and the SBF file invoice postings. If a discrepancy exists, the agency Accounting department should contact the agency's Program Administrator. The Program Administrator will work with their Bank of America Account Specialist to determine how the discrepancy will be corrected. The agency Accounting department will make the appropriate entry in LaGov to correct the discrepancy. This must take place prior to the 25th of each month.

Charges made to the corporate account must be reviewed, approved, and reconciled. The charges will post based on the default assigned in WORKS. The agency Accounting department must move these charges to the appropriate account assignment values (GL/Business Area/Fund/Cost Center, etc.).

If a cardholder's transaction posts to the default fund/cost center defined in LaGov, then an error has occurred. The Interface error report may be used to identify the reason the transaction posted to the default. The agency Program Administrator and/or accounting department must take steps to resolve the items on the report. This should be done prior to receiving the next month's statement to prevent reoccurring errors. Cardholders who repeatedly have allocation errors should be counseled and retrained, if necessary, on the WORKS coding.

LaGov agencies will enter a journal voucher to credit the default account codes and debit the appropriate GL/Fund/Cost Center, etc., Note: Payment for all LaGov agencies will be made automatically on the 25th of each month regardless of the status of the reconciliation process.

LaGov agencies must reconcile the billing statement at the corporate account level to the electronic payment made to Bank of America. All charges and/or credits should be cleared from the default account codes each month for LaGov agencies.

EVP (ELECTRONIC VENDOR PAYMENT)

Vendors who choose the option to enroll with the EVP program are flagged on the ISIS vendor tables to receive their payments through the EVP program of the State with Bank of America (BOA). Agencies will process their payments to vendors for goods and services purchased as usual. The mechanism by which vendors get paid will be determined by a flag on the vendor table as currently done. If a vendor is flagged as an EVP vendor, payments to the vendor will be made through the EVP process without the agency directing this means of payment. The EVP program allows vendors to be paid through the vendor's virtual account with BOA. An electronic mail is generated and sent the vendor to notify them of the availability of payments and the availability of funds placed in their account for withdrawal. State agencies will notice movement of cash from Cash Account 6000 (ISIS Disbursement Cash Account) to cash account 6PCD (Cash P-Card Tier II). The cash account 6PCD will be reduced when vendors draw down their funds from their virtual accounts with BOA for the invoices they have paid, and when the BOA bill is paid. Agencies do not need to approve any of the transactions in the system after approving the payment voucher they always prepare to make payments.

For internal control purposes, agencies must monitor their cash position, monitor their outstanding payments, and vendor drawdowns through WORKS. For ISIS agencies, a 1G64 report will be generated that will provide detail of the EVP transactions daily. OSRAP will also be responsible for reconciling the cash account 6PCD with transactions from the BOA paid/billing file. BOA has also created standard reports in WORKS that will allow each agency to see their EVP payments. These reports will help agencies reconcile outstanding EVP to their 6PCD cash account and also to see what payments are still outstanding (much like the outstanding checks report). Control Agencies like Office of Statewide Reporting and Accounting Policy (OSRAP) and the State Treasurer's Office (STO) will have access to reports in WORKS that will allow them to see EVP activity by all state agencies.

XI. PAYMENT PROCEDURES FOR INDIVIDUAL P-CARD, CBA AND EVP (ELECTRONIC VENDOR PAYMENT) ACCOUNTS

All accounts are the direct liability of the State. Each agency is responsible for ensuring all accounts are paid timely and in full each month with ONE electronic funds transfer (EFT) to Bank of America. The Agency will ensure that necessary procedures and controls are in place for prompt payment, reconciliation and cost distribution of charges and credits. Agency specific policies and procedures must be developed. These policies should address required approvals and authorizing procedures. Copies of this policy must be made available to all program participants and other personnel responsible for P-Card/CBA.

1. Bank of America will send paper statements and/or an electronic file containing all cardholder transactions. These files may be used for reporting and reconciliation.
2. The paper statements and the electronic Statement Billing File, when applicable, will be sent after the close of the billing cycle. Payment must be made electronically to Bank of America within 25 days of statement billing date.

ISIS INTERFACE AGENCIES

1. The billing cycle for all ISIS Agencies end on the 5th of each month. The Statement Billing File will be used for ISIS Agencies to create a P3 (P-Card Vendor Payment Voucher Form) and interface to AFS. This document will use either the allocated general ledger coding entered or the default/override accounting codes assigned to the transaction at the time of interface between Bank of America (BOA) and ISIS. The interface will automatically create the P3 document each month. No action is required by ISIS Agencies for payment. For agencies that have implemented the WORKS Workflow system for an electronic reconciliation process, the agency will designate those employee(s) tasked with maintaining the user data, as well as those that will be responsible for maintaining the general ledger coding restrictions within WORKS Workflow.
2. The P3 document will override budget checks and cash checks in AFS and must produce an electronic funds transfer (EFT) to be sent to Bank of America. The EFT request will be processed on the 25th of each month to allow for timely payments throughout the year.

NON-ISIS INTERFACE AGENCIES

Non- ISIS Agencies can use the Statement Billing File to interface to their accounting system through WORKS Workflow or use paper statements and must produce ONE electronic funds transfer (EFT) to Bank of America.

LaGOV AGENCY

1. The billing cycle for all LaGov agencies will end on the 5th of each month. The Statement Billing File will be used to create summary invoices that post the liability to Bank of America's vendor account. The interface will automatically create the invoice documents each month. No action is required by LaGov agencies for payment to occur. Agencies will designate program administrators tasked with maintaining the master accounting code for each cardholder within WORKS.
2. The invoice document must produce an electronic funds transfer (EFT) to be sent to Bank of America. The EFT will be processed on the 25th of each month to allow for timely payments throughout the year.

EVP PAYMENTS

Each workday, AFS creates EFTs for the vendor payments scheduled for that day. EFTs payable to vendors that participate in EVP are sent to BOA for payment via the vendor's virtual credit card. Journal vouchers (J5) are created and processed each day to account for the deferred disbursement of cash. The billing cycle for all ISIS agencies ends on the last day of each month. On the 20th day of the month (or the immediately preceding work day, if the 20th is a non-work day), information provided by BOA/WORKS concerning EVP payments that have been drawn by vendors during the billing cycle is used to create journal vouchers (J5) that reverse the earlier J5s and payment vouchers (P5) that initiate a corresponding EFT payment to BOA that same day. The P5 documents will override budget checks and cash checks in AFS. No action is required by ISIS agencies for this payment, unless a P5 document is rejected when processed

by ISIS. Timely correction of rejections will be necessary to insure payment to BOA by the payment due date on the 25th of the month.
