1.14.3 Blackout Period

The blackout period is a specified period of time during a competitive sealed procurement process in which any Proposer, bidder, or its agent or representative, is prohibited from communicating with any state employee or contractor of the State involved in any step in the procurement process about the affected procurement. The blackout period applies not only to state employees, but also to any contractor of the State. "Involvement" in the procurement process includes but may not be limited to project management, design, development, implementation, procurement management, development of specifications, and evaluation of proposals for a particular procurement. All solicitations for competitive sealed procurements will identify a designated contact person, as per Proposer Inquiries section of this RFP. All communications to and from potential Proposers, bidders, vendors and/or their representatives during the blackout period must be in accordance with this solicitation's defined method of communication with the designated contact person. The blackout period will begin upon posting of the solicitation. The blackout period will end when the contract is awarded.

In those instances in which a prospective Proposer is also an incumbent contractor, the State and the incumbent contractor may contact each other with respect to the existing contract only. Under no circumstances may the State and the incumbent contractor and/or its representative(s) discuss the blacked-out procurement.

Any bidder, Proposer, or state contractor who violates the blackout period may be liable to the State in damages and/or subject to any other remedy allowed by law.

Any costs associated with cancellation or termination will be the responsibility of the Proposer or bidder.

Notwithstanding the foregoing, the blackout period shall not apply to:

- Duly noticed site visits and/or conferences for bidders or Proposers;
- Oral presentations during the evaluation process
- Communications regarding a particular solicitation between any person and staff of the procuring agency provided the communication is limited strictly to matters of procedure. The prospective contractor shall attest to its current and/or prospective compliance by signing the Certification Statement, Attachment I, submitted with its proposal, and also agrees to provide its seven-digit LDR Account Number to the contracting agency so that the prospective contractor's tax payment compliance status may be verified. The prospective contractor further acknowledges understanding that issuance of a tax clearance certificate by the Louisiana Department of Revenue is a necessary precondition to the approval and effectiveness of this contract by the Office of State Procurement. The contracting agency reserves the right to withdraw its consent to this contract without penalty and proceed with alternate arrangements should the vendor fail to resolve any identified apparent outstanding tax compliance discrepancies with the Louisiana Department of Revenue within seven (7) days of such notification.

The written invitation to participate in BAFO will not obligate the state to a commitment to enter into a contract.

A Proposer shall not submit its own standard contract terms and conditions as a response to this RFP. The Proposer should submit in its proposal any exceptions or contract deviations that its firm wishes to negotiate. Negotiations may coincide with the announcement of the selected Proposer.

Unless otherwise specifically enumerated herein or in the work order mutually agreed between the parties, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings.

The State and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

Contractor shall submit monthly invoices to YS by the 10th of each month for actual units provided during the preceding calendar month. All invoices must be submitted on YS format and signed by an authorized representative of the Contractor. It is understood that should Contractor fail to submit an invoice within thirty (30) calendar days following the end of each month, YS may not be responsible for payment thereof under this contract or in quantum merit.

If there are no discrepancies, YS will make every reasonable effort to issue payment for services provided within fifteen (15) calendar days after approval of the invoice by the YS Undersecretary or his/her designee. Payment will be based on actual units of service provided. YS shall pay the full per-diem rate for the day of admission, but no per diem will be paid for the day of discharge. YS shall not be responsible for the cost of services that are not included in the per diem unless prior written authorization has been obtained from YS.

YS bears no obligation to reimburse the Contractor for youth in excess of the daily slot limit stated in the contract, unless specific written authorization for a daily slot limit overage is granted by the Contract Performance Coordinator.

Falsification of invoices may result in contract cancellation, withholding subsequent payments, civil action, criminal charges or any other sanctions that may be imposed by law or regulation.

Discrepancies in billing or disbursements will only be considered for adjustment by YS when they are reduced to writing. These discrepancies must be received by YS no later than ten (10) business days beyond the last payable day of the month in which the alleged billing discrepancy occurred or ten (10) business days beyond the date payment is received.

YS shall have the right to offset and withhold any costs that have been disallowed under this contract or previous contracts from amounts due to the Contractor. YS reserves the right to reduce the contractor's invoice if the services provided during the invoiced month have not been provided or have not been provided satisfactorily and in accordance with the contract. Payment of said reduction will not be made unless contractor provides services in a timely manner to the reasonable satisfaction of YS.

YS may impose sanctions upon any provider who fails to adhere to any provision of the contract or Office of Juvenile Justice Standard Operating Procedures, either intentionally or through gross negligence. Monetary sanctions shall not exceed three percent of the gross monthly billing. One sanction may be levied for each individual violation. These sanctions shall be issued by the Agency Deputy Secretary, or designee.

Please see Attachment III for additional information regarding electronic payment methods and registration.

If within thirty (30) calendar days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure

which cannot be corrected in thirty (30) calendar days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. Failure to perform within the time agreed upon in the contract may constitute default and may cause cancellation of the contract.

1.36 Assignment

No contractor shall assign any interest in this contract by assignment, transfer, or novation, without prior written consent of the State. 1.37 Right to Audit

The State Legislative Auditor, internal auditors of the Division of Administration, agency auditors, and if applicable, federal auditors shall be entitled to audit the books and records of a contractor or any subcontractor under any negotiated contract or subcontract to the extent that such books and records relate to the performance of such contract or subcontract. Contractor shall demonstrate how program participants will obtain dental, health and mental health services. Payment of said reduction will not be made unless contractor provides services in a timely manner to the reasonable satisfaction of YS.

4 INDEMNIFICATION AND LIMITATION OF LIABILITY

Neither party shall be liable for any delay or failure in performance beyond its control resulting from acts of God or force majeure. The parties shall use reasonable efforts to eliminate or minimize the effect of such events upon performance of their respective duties under Contract.

Contractor shall be fully liable for the actions of its agents, employees, partners or subcontractors and shall fully indemnify and hold harmless the State and its Authorized Users from suits, actions, damages and costs of every name and description relating to personal injury and damage to real or personal tangible property caused by Contractor, its agents, employees, partners or subcontractors, without limitation; provided, however, that the Contractor shall not indemnify for that portion of any claim, loss or damage arising hereunder due to the negligent act or failure to act of the State.

If applicable, Contractor will indemnify, defend and hold the State and its Authorized Users harmless, without limitation, from and against any and all damages, expenses (including reasonable attorneys' fees), claims, judgments, liabilities and costs which may be finally assessed against the State in any action for infringement of a United States Letter Patent with respect to the Products furnished, or of any copyright, trademark, trade secret or intellectual property right, provided that the State shall give the Contractor: (i) prompt written notice of any action, claim or threat of infringement suit, or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor's sole expense, and (iii) assistance in the defense of any such action at the expense of Contractor. Where a dispute or claim arises relative to a real or anticipated infringement, the State or its Authorized Users may require Contractor, at its sole expense, to submit such information and documentation, including formal patent attorney opinions, as the Commissioner of Administration shall require.

The Contractor shall not be obligated to indemnify that portion of a claim or dispute based upon: i) Authorized User's unauthorized modification or alteration of a Product, Material or Service; ii) Authorized User's use of the Product in combination with other products not furnished by Contractor; iii) Authorized User's use in other than the specified operating conditions and environment.

In addition to the foregoing, if the use of any item(s) or part(s) thereof shall be enjoined for any reason or if Contractor believes that it may be enjoined, Contractor shall have the right, at its own expense and sole discretion as the Authorized User's exclusive remedy to take action in the following order of precedence: (i) to procure for the State the right to continue using such item(s) or part (s) thereof, as applicable; (ii) to modify the component so that it becomes non-infringing equipment of at least equal quality and performance; or (iii) to replace said item(s) or part(s) thereof, as applicable, with non-infringing components of at least equal quality and performance, or (iv) if none of the foregoing is commercially reasonable, then provide monetary compensation to the State up to the dollar amount of the Contract.

For all other claims against the Contractor where liability is not otherwise set forth in the Contract as being "without limitation", and regardless of the basis on which the claim is made, Contractor's liability for direct damages, shall be the greater of \$100,000, the dollar amount of the Contract, or two (2) times the charges rendered by the Contractor under the Contract. Unless otherwise specifically enumerated herein or in the work order mutually agreed between the parties, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings.

The State and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

5 CONTRACT CONTROVERSIES

Any dispute that is not resolved by agreement between the Contractor and the Contract Performance Coordinator shall be decided by the Deputy Undersecretary or his/her designee through informal dispute resolution. The Contractor shall be furnished a copy of the final decision of Deputy Undersecretary or his/her designee. Within thirty (30) days from the date of mailing of the decision, the Contractor may submit a written Request for Review to the Deputy Secretary. The Contractor shall be afforded the opportunity to be heard and present evidence in support of his Request for Review. The final decision of the Deputy Secretary or his designee concludes YS' review of the dispute.

The Contractor may then pursue resolution of any claim or controversy arising out of the contract according to the provisions of Louisiana Revised Statutes 39:1672.2-1672.4.

6 FUND USE

Contractor agrees not to use contract proceeds to urge any elector to vote for or against any candidate or proposition on an election ballot nor shall such funds be used to lobby for or against any proposition or matter having the effect of law being considered by the Louisiana Legislature or any local governing authority. This provision shall not prevent the normal dissemination of factual information relative to a proposition on any election ballot or a proposition or matter having the effect of law being considered by the Louisiana Legislature or any local governing authority.

7 CONFIDENTIALITY OF DATA

All financial, statistical, personal, technical and other data and information relating to the State's operation which are designated confidential by YS and made available to the contractor in order to carry out this contract, or which become available to the contractor in carrying out this contract, shall be protected by the contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to YS. The identification of all such confidential data and information as well as YS's procedural requirements for protection of such data and information from unauthorized use and disclosure shall be provided by YS in writing to the contractor. If the methods and procedures employed by the contractor for the protection of the contractor's data and information are deemed by YS to be adequate for the protection of YS's confidential information, such methods and procedures may be used, with the written consent of YS, to carry out the intent of this paragraph. The contractor shall not be required under the provisions of the paragraph to keep confidential any data or information which is or becomes publicly available, is already rightfully in the contractor's possession, is independently developed by the contractor outside the scope of the contract, or is rightfully obtained from third parties.

8 COMPLIANCE WITH CIVIL RIGHTS LAWS

The contractor agrees to abide by the requirements of the following as applicable: Title VI and Title VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1975, and contractor agrees to abide by the requirements of the Americans with Disabilities Act of 1990.

Contractor agrees not to discriminate in its employment practices, and will render services under this contract without regard to race, color, religion, sex, sexual orientation, national origin, veteran status, political affiliation, disability, or age in any matter relating to employment. Any act of discrimination committed by Contractor, or failure to comply with these statutory obligations when applicable shall be grounds for termination of this contract.

9 PROHIBITION OF DISCRIMINATORY BOYCOTTS OF ISRAEL

Certificates of Insurance, fully executed by officers of the Insurance Company written or countersigned by an authorized Louisiana State agency, shall be filed with the State of Louisiana for approval. The Contractor shall not allow any sub-contractor to commence work on his subcontract until all similar insurance required for the subcontractor has been obtained and approved. If so requested, the Contractor shall also submit copies of insurance policies for inspection and approval of the State of Louisiana before work is commenced. Said policies shall not hereafter be canceled, permitted to expire, or be changed without thirty (30) calendar days' notice in advance to the State of Louisiana and consented to by the State of Louisiana in writing and the policies shall so provide.

Compensation Insurance: Before any work is commenced, the Contractor shall maintain during the life of the contract, Workers' Compensation Insurance for all of the Contractor's employees employed at the site of the project. In case any work is sublet, the Contractor shall require the subcontractor similarly to provide Workers' Compensation Insurance for all the latter's employees, unless such employees are covered by the protection afforded by the Contractor. In case any class of employees engaged in work under the contract at the site of the project is not protected under the Workers' Compensation Statute, the Contractor shall provide for any such employees, and shall further provide or cause any and all subcontractors to provide Employer's Liability Insurance for the protection of such employees not protected by the Workers' Compensation Statute.

Such insurance shall name the State as additional insured for claims arising from or as the result of the operations of the Contractor or his subcontractors. In the absence of specific regulations, the amount of coverage shall be as follows: Commercial General Liability Insurance, including bodily injury, property damage and contractual liability, with combined single limits of \$1,000,000.

B. Nationally Recognized Performance Based Standards

If such compliance or accreditation has not been obtained prior to the signing of the contract, Contractor agrees to enter into candidate status and earn such accreditation within twelve (12) months after signing of the contract. Failure to achieve accreditation may result in the cancellation of the contract. Upon achieving accreditation, the Contractor must continue to conform to the standards for the term of the contract.

C. Access to Facility

YS staff shall have access to youth on or off the Contractor's premises at any time. YS officials or their designees may access and inspect the Contractor's premises at any time. Access and inspection includes, but is not limited to, youth, staff, the entire facility, and all books and records related to the operation of the facility.

Contractor is required to comply with all applicable sanitary, health and fire codes, laws and regulations, and standards required for care of youth and must demonstrate such compliance by submitting annual licenses, certificates and inspection reports to Contract Performance Coordinator no later than thirty (30) days after renewal. Loss of license will result in penalties equal to the per diem for each day the license is revoked or suspended, or may result in immediate termination of the contract and/or removal of youth from the program. YS may remove youth from the program. YS has available to it all rights and remedies afforded under Louisiana law for breach of contract if the Contractor is unable to provide the required services due to failure to obtain required certificates or inspections.

E. Staff Vacancies

Vacancies exceeding the time as established by this clause shall subject the Contractor to penalties in an amount equal to the salaries of the vacant positions for the number of vacant days. Vacancies of professional staff shall not be considered filled unless the incumbent possesses all requisite qualifications as stated in this contract and in YS policy.

Contractor will also work with the Office of Juvenile Justice PREA Coordinator in scheduling audits in accordance with the agency audit cycle established by YS. Failure to comply with PREA, including PREA Standards and US Policies, or to pass the PREA audit after any corrective action period may result in termination of the contract.

The contractor agrees to notify YS immediately if potential violations of the Code of Governmental Ethics arise at any time during the term of this contract.

C. AVAILABILITY OF FUNDS

The continuation of this contract is contingent upon the appropriation of funds by the legislature to YS to fulfill the requirements of the contract. If the legislature fails to appropriate sufficient monies to provide for the continuation of this contract, the contract shall terminate on the date of the beginning of the first fiscal year that funds are not appropriated. If a lawful gubernatorial order is issued in or for any given fiscal year during the term of this contract that reduces the funds appropriated in amounts sufficient to preclude making the payments set out herein, the contract shall terminate on the date said funds are no longer available or the contract may be renegotiated to reflect the reduced funds. YS shall not be liable if either of these incidents or any similar incident having the same effect occurs.

D. ALTERATIONS/AMENDMENTS

Any alteration, variation, modification, waiver of provisions and or amendment to this contract shall be valid only when they have been reduced to writing, duly signed by both parties and when required, approved by the Director of the Office of State Procurement and attached to the original of this contract.

E. NONASSIGNABILITY

Contractor shall not assign any interest in the contract by assignment, transfer or novation, without the prior written consent of YS. This provision shall not be construed to prohibit the Contractor from assigning his bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to YS.

F. RIGHT TO INSPECT/AUDIT

Contractor agrees that the Legislative Auditor of the State of Louisiana and/or the office of the Governor, Division of Administration auditors, the Inspector General's Office, and /or Youth Services shall have the right to inspect, review, and/or audit all accounts, books, and records which relate to this contract. Contractor is expected to comply with federal and/or state laws requiring an audit of Contractor's operation as a whole or of specific program activities. This option to audit shall remain in effect for three (3) years from the date of the last payment made under this contract. Records shall be made available during normal working hours for this purpose.

If an audit is performed within the contract period for any reason, a copy of the audit report shall be sent to YS within thirty (30) days of the completion of the audit.

Upon the request of YS and at the Contractor's cost, the Contractor shall have ten (10) business days to provide YS with any such information that YS requests for the purpose of determining the validity of the per diem amount or unit cost, either retrospectively or prospectively. YS reserves the right to audit and review any and all of the Contractor's records related to this contract or the performance of the services contracted for herein.

G. RECORD RETENTION

Contractor agrees to retain all books, records, and other documents relevant to this contract and the funds expended hereunder for at least four years after completion or termination of this contract.

H. NOTIFICATION OF STATE EMPLOYMENT

Should contractor or any of its employees become a classified or unclassified employee of the State of Louisiana during the effective period of this contract, Contractor or its employees must notify the appointing authority of the state agency that has employed him of any existing contract with the State of Louisiana. YS reserves the right to cancel the contract if a conflict of interest or a violation of state law occurs as a result of such employment.

I. FORCE MAJEURE

The Contractor or YS shall be excused from performance under the contract for any period that the Contractor or YS is prevented from performing any services in whole or in part as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided the Contractor or YS has prudently and promptly acted to take any and all corrective steps that are within the Contractor's or YS' control to ensure that the Contractor or YS can promptly perform and to minimize the effect of such events upon performance of their respective duties under the contract.

J. PROHIBITION OF POLITICAL USE OF FUNDS

No funds provided herein shall be used to urge any elector to vote for or against any candidate or proposition on an election ballot nor shall such funds be used to lobby for or against any proposition or matter having the effect of law being considered by the legislature or any local governing authority of any political subdivision. This provision shall not prevent the normal dissemination of factual information relative to a proposition on any election ballot or a proposition or matter having the effect of law under consideration by the legislature or any local governing authority of any political subdivision.

K. INDEMNIFICATION/HOLD HARMLESS

Contractor agrees to protect, defend, indemnify, save and hold harmless the State of Louisiana, all state departments, agencies, boards and commissions, its officers, agents, servants, employees, partners, and subcontractors including volunteers, from and against any and all claims, demands, expense and liability arising out of injury or death to any person or the damage, loss or destruction of any property that may occur or in any way grow out of any act or omission of the Contractor, its agents, servants, and employees and any and all costs, expense and/or attorney fees incurred by the Contractor as a result of any claim, demands, and/or causes of action except for those claims, demands and/or causes of action arising out of the negligence of YS, its agents, representatives, and/or employees. Contractor agrees to investigate, handle, respond to, provide defense for and defend any such claims, demand, or suit at its sole expense and agrees to bear all other costs and expenses related thereto, even if it (claim, etc.) is groundless, false or fraudulent.

L. SUBCONTRACTS

Contractor shall not enter into any subcontract for work or services contemplated under this contract without obtaining prior written approval of YS. Any subcontracts approved by YS shall be subject to all the conditions of this contract. No provisions of this clause and no such approval by YS of any subcontract shall be deemed in any event or manner to create on the part of YS any obligation of YS beyond those specifically set forth herein. No subcontract shall relieve the Contractor of the responsibility for the performance of any subcontractor. The contractor will be the single point of contact for all subcontractor work.

M. SANCTIONS

YS may impose sanctions if the contractor fails to adhere to the provisions of the contract or Standard Operating Procedure for Contract Providers available on request and online at www.ojj.la.gov either intentionally or through gross negligence. Monetary sanctions shall not exceed three percent of the gross monthly billing. One sanction may be levied for each individual violation. These sanctions shall be issued by the Agency Deputy Secretary, or designee.

These graduated sanctions are intended to create a positive change of compliance and not intended to cause any negative or detrimental effect on the services available to youth.

Graduated sanctions shall include:

1. Monetary sanctions (up to a 3% reduction of monthly payment)
2. 15 % reduction in the number of program slots
3. Moratorium on referrals
4. Termination of contract

N. TERMINATION

YS may terminate this contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the contract, provided that YS shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then YS may, at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice. The Contractor may exercise any rights available under Louisiana law to terminate for cause upon the failure of YS to comply with the terms and conditions of this contract, provided that the Contractor shall give YS written notice specifying YS' failure and a reasonable opportunity for YS to cure the defect.

Either party may terminate this contract for convenience at any time by giving thirty (30) days written notice to the other party. The Contractor shall be entitled to payment for deliverables in progress, to the extent that the services have been provided to the reasonable satisfaction of YS. YS has the right to cancel this contract with less than thirty (30) days' notice due to budgetary reductions or changes in funding priorities of the State as stated herein.

Upon completion or termination of this contract YS reserves the right to request copies of any records, reports or any other materials related to this contract or any portion thereof.

O. ENTIRE AGREEMENT, ORDER OF PRECEDENCE & SEVERABILITY

If any term or condition of this Contract or the application thereof is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this contract are declared severable.

Electronic Vendor Payment Solution:

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The **LaCarte** Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.

- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State’s bank directly to the payee’s bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available at: <http://www.doa.la.gov/osrap/ISIS%20EFT%20Form.pdf>

To facilitate this payment process, you will need to complete and return the EFT enrollment form contained in the link above.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.

SAMPLE BOARD RESOLUTION

MEETING OF THE BOARD OF DIRECTORS
OF
(ORGANIZATION'S NAME)

A meeting of the Board of Directions of (ORGANIZATION'S NAME) was held on (DATE), whereby a resolution was passed authorizing (NAME AND TITLE OF THE INDIVIDUAL AUTHORIZED TO SIGN ON BEHALF OF THE ORGANIZATION) by his Signature, to enter into any and all contractual obligations on behalf of this ORGANIZATION.

Secretary/Chairman

The agency requires all proposing parties disclose any and all owners of the proposing party. Disclosure of the actual ownership of the entity is a critical to the agency's assessment of the proposal. The agency needs this information in order to evaluate the proposing party, in an effort to maintain quality control and to remain in compliance with the requirements of the Louisiana Code of Ethics.

There are differing steps depending on the nature of ownership of the proposing party.

For Proposers who are Individuals:

This attachment requires no response if the proposer is an individual.

For Proposers who are Louisiana Corporations (for-profit and not-for-profit)

When the proposing party is a Louisiana corporation, whether for-profit or not-for-profit, the corporation must submit a copy of the Disclosure of Ownership form that has been filed with the Louisiana Secretary of State. The Secretary of State will stamp the Disclosure of Ownership form "received and filed." The proposing party will then submit a copy of this document in its proposal as Attachment V. The approximate cost is \$20.00.

The document and filing instructions are available at:

<http://www.sos.la.gov/BusinessServices/PublishedDocuments/320DisclosureofOwnershipCorporation.pdf>.

NOTE: If the corporation is a not-for-profit corporation that is organized on a non-stock basis, the organization may elect to submit a Notarized Affidavit consistent with the procedures required of Louisiana Limited Liability Companies, included below.

For Proposers who are Louisiana Limited Liability Companies:

When the proposing party is a Louisiana limited liability company ("LLC"), the proposing party does not have to submit a Disclosure of Ownership Form through the formal procedure required for corporations. However, the agency still requires ownership information for the reasons stated above. Therefore, in order to comply, the proposing party shall submit, as Attachment V, a Notarized Affidavit from chief officer of the LLC outlining any and all owners of the LLC.

This information does not need to be in a particular form, it simply needs to outline the list of the owners of the LLC, be signed under oath by the lead officer and notarized. A copy of the Affidavit may be submitted.

Location(s) where slots will be provided: _____

NOTE:The Proposer must use the proposed budget, Attachment VII, Program Budget to calculate the per diem. For example; YS funding request column “Total Budget” divisible by “number of slots” should equal the “per diem rate” proposed.

I understand that if I am awarded a contract as a result of this proposal, I will be required to provide these services at the above quoted rate for the full term of the contract.

*Use of ranges for the number of treatment slots are acceptable if the per diem will remain constant.

The Program Budget and Budget Narrative should include only those items related to this program. The budget provided must correspond to the period funded. The Proposer must use the proposed budget to calculate the per diem proposed on Attachment VI, Cost Proposal. . The form above is an imbedded Excel worksheet. Double click on it to complete. Subtotals and totals are automatically calculated and protected.

COLUMNS

- A Budget: the entire amount allotted to this program regardless of source of funding. This field is automatically calculated.
- B Administrative: the expenses associated with the managerial functions of the program. This does not include any expense associated with direct service delivery to youth/families. Typically these expenses do not fluctuate based on the number of youth/families served.
- C Programmatic: expenses associated with direct service delivery.
- D YS Funding Request: the total amount requested from YS for this program.
- E Match: Resources, whether in-kind or cash contributed by the applicant may be used as Match. This amount must equal 25% of the YS Funding Request. This amount may not include state or federal funding or funding used to match another state or federal grant. Columns B and C should equal A. Columns D and E should equal A.

BUDGET NARRATIVE

A FULL Explanation should be provided for each category in the Program Budget.

- On a separate sheet provide information for each category listed on the budget form.
- All expenses must be described in the budget narrative and quantified on the budget form. **A full explanation must be given of each category detailing the goods/services used to derive the estimated expenses on the budget form.** This explanation must include the item procured, recipient of the item, purpose of the item in further program objectives as well as indication if the item is a one-time expense. (Budget must be inclusive of all income and expenses that will be incurred during the program.)
- Any deviation from the approved budget must have YS written approval **prior to incurring the expense**. Deviation may require a contract amendment.
- Expenditures not in your approved budget or over your budgeted amount will be disallowed, if prior approval has not been obtained.
- Provide each source and amount of “Match” for this program in your narrative. For example: Entergy utility bill for office space paid by Parish Council at \$100.00 X 10 months = \$1,000 Match.
