It is the Deputy Secretary's policy to safely and securely staff YS secure care facilities while also being good stewards of state resources by controlling and monitoring staffing utilization and overtime.

In addition, it is the Deputy Secretary's policy that a "Facility Staffing Plan (FSP)" shall be in place in all YS secure care facilities to ensure youth have access to employees, programs and services at all times. In the event reduced staffing patterns result in a critical staffing shortage, the situation shall be addressed immediately following the guidelines established in this policy. At no time shall a Facility Director determine critical staffing reinforcement patterns without consulting the applicable Regional Director.

VI. FACILITY STAFFING:

- A. Each facility shall develop, implement, and document a staffing plan that provides for adequate level of staffing, and where applicable, video monitoring, to protect youth against all forms of abuse. - C. Each facility shall maintain staff ratios of a minimum of 1:8 during resident waking hours and 1:16 during resident sleeping hours, except during limited and discrete exigent circumstances, which shall be fully documented. Only security staff shall be included in these ratios. Any facility that, as of the date of publication of U.S. DOJ PREA Standard 115:313, and is not already obligated by law, regulation, or judicial consent decree to maintain the staffing ratios set forth in this paragraph shall have until October 1, 2017 to achieve compliance.

1. The staffing plan established pursuant to Section VI. A. above;
 2. Prevailing staffing patterns;
 3. The facility's deployment of video monitoring systems and other monitoring technologies; and
 4. The resources the facility has available to commit to ensure adherence to the staffing plan.

 2. Historical leave usage (annual, sick, and compensatory);
 3. Absences due to holidays and regular days off;
 4. Relief factor requirements (which includes absenteeism for training); and

- F. Based on the annual assessment, the Facility Director shall consult with the Regional Director regarding changes to the facility's organizational chart, including increasing or decreasing staff.
- G. Any request for revision in model staffing patterns that would result in a change in the total number of authorized JJS', medical, social services (treatment), educational, vocational, recreation, library, food services, and religious programs and services staff positions shall be submitted to the Regional Director for review and approval. If approved, the Regional Director will forward the request to the Assistant Secretary for approval by the Deputy Secretary prior to implementation.
