This policy is not intended to create any property rights. YS may re-assess "need" and the allocation of funding resources at any time and may rescind non-base pay or change the amount given at any time. Sufficient notice shall be provided to the employee and notification shall be sent to SCS of any changes in the amount paid.

YS Policy No. A.2.1, Attachment (a) "General Employee Information" reiterates that pay adjustments, overtime compensation and special pay rates are governed by this policy within the parameters of the Fair Labor Standards Act (FLSA) and the SCS Rules.

VI. DUTIES AND RESPONSIBILITIES:

It shall be the responsibility of each Unit Head to:

- A. Review the budgetary impact, as well as operational needs of the unit when considering pay options;
- B. Appraise consistency and equity of application of this policy; and
- C. Ensure that all necessary procedures are in place for proper management and administration of the pay program.
- D. Post in one or more visible locations to assure that the policy is accessible to all employees. The Appointing Authority must assure that the posting and any subsequent revisions remain in place permanently or are replaced when appropriate.

VII. GENERAL PROCEDURES:

- A. Civil Service pay rules allow for YS discretion and flexibility in many areas of pay administration.

An employee's pay is subject to reduction when it is determined that the employee has benefited from increased pay as a result of either a violation of the SCS Rules or an abuse of the discretion granted in these Rules.

To guide YS application of these Rules, and to ensure that the application of these Rules are not abused in any way, specific procedures for use of special pay rates, implementation of the pay adjustments, and overtime payments are outlined in Section VIII below.

- B. Unless otherwise stated, Unit Heads shall address all requests for exemptions directly to the Undersecretary, who shall consult with the Deputy Secretary as necessary. All correspondence addressed to the SCS Director or the Civil Service Commission (CSC) requesting exemptions or use (or revision) of pay options shall be processed through the Deputy Secretary and shall bear the Deputy Secretary's signature.

VIII. PAY ADMINISTRATION PROCEDURES

A. Demotion-Involuntary For Disciplinary Reasons

In accordance with CSR 6.10, if an employee is demoted for any reason, reductions in pay shall be reduced by a minimum of seven percent (7%), but may be set at a lower rate anywhere in the range that is not less than the minimum hire rate. An exception to this may be granted by the Appointing Authority for voluntary demotions.

B. Demotion – Voluntary

1. Unit Heads are authorized by the Deputy Secretary to approve voluntary demotions when such actions are in the best interest of the unit, in accordance with CSR 6.10 (d) and 23.14.
2. The Unit Head may grant a voluntary demotion without loss of pay providing the employee shall not be paid above the maximum of the lower pay range. However, the Unit Head shall certify that this action was not done in an arbitrary or fraudulent manner designed to increase the employee's rate of pay with a promotion shortly thereafter.
3. If the Unit Head determines that a reduction in pay is in the best interest of the unit, the employee's pay shall be reduced by no less than seven percent (7%) and up to a maximum of fourteen percent (14%). No disciplinary reduction in pay may bring an employee's pay below the minimum of the employee's pay range/SER or below the minimum wage.
4. The Deputy Secretary shall waive a pay increase on promotion, reallocation, or detail to special duty for an employee who has been voluntarily demoted without a reduction in pay until such time as the employee surpasses the pay level from which he demoted.

C. Detail to Special Duty Pay

1. The Deputy Secretary may assign a permanent classified employee who meets the SCS minimum qualifications and testing requirements for the job title of the detail position without prior SCS Director approval for a period not to exceed 12 months pursuant to CSR 6.11 and 23.12 (b) and (c).

. A written request and justification for a detail up to 12 months shall be submitted by the Unit Head to the Deputy Secretary/designee for review and approval utilizing the "Request for Employee Action (REA)" form which may be found on OJJ SharePoint under the Administration tab: <http://oydcosps/admin/default.aspx> or requested through Human Resources.

2. When detailing a permanent classified employee who does not meet the SCS minimum qualifications and testing requirements of the detail position or has received an official evaluation of "Needs Improvement/Unsuccessful" on their most recent PES, prior SCS Director approval is required and shall be submitted to the Deputy Secretary utilizing the "Request for SCS Director Approval of Detail to Special Duty" which may found on OJJ SharePoint under the Administration tab: <http://oydcosps/admin/default.aspx> or requested through Human Resources.

The Deputy Secretary/designee shall determine, based upon the business needs of the unit, if this type of request is to be forwarded to the SCS Director for approval.

3. When detailing a probational classified employee, documentation of why the detail of such an employee is necessary shall be maintained in accordance with the guidelines established in CSR 23.12 (b).
4. Prior approval must be obtained from the SCS Director if a job detail will last more than one (1) year. Justification must be sent to the Deputy Secretary two (2) months before the detail ends.

If prior approval is not granted prior to the expiration of the detail, at the time the detail ends the employee shall be returned to their original position until approval from the SCS Director is received.

5. The agency's Department Preferred Reemployment List cannot be filled by a detail, as doing so would require an exception to SCS Rule 17.33.
6. The Deputy Secretary may end a detail at any time.

D. Extraordinary Duty/ Individual Pay Adjustment

In accordance with CSR 6.16 (c) and 6.16 (f), a written requests and adequate justification with documentation for special pay considerations shall be submitted by the Unit Head to the Deputy Secretary/designee, and shall include the employee's name, job title, current salary, and proposed payment amount.

The Deputy Secretary/designee shall determine if the request is to be forwarded for approval to the CSC. Such adjustments shall be granted only within the pay range for the grade to which the employee's position is allocated in accordance with the provisions of Rule 6.16(f).

E. Extraordinary Qualifications/Credentials

In accordance with State Civil Service Rule 6.5(g), Extraordinary Qualifications/Credentials, YS reserves the right to offer salaries above the minimum to applicants who possess extraordinary qualifications/credentials only when such action is necessary to recruit those persons to work for YS.

YS will consider similar pay adjustments for current employees who possess the same or substantially similar qualifications.

Specific verification of the extraordinary qualifications/credentials possessed and evidence of how those extraordinary qualifications/credentials would be particularly beneficial to help fill the position is required.

1. Factors for Consideration

When determining and setting an appropriate salary upon hire, the following factors shall be taken into consideration:

- a. **Market Relativity:** a comparison of the new hire's pay relative to the midpoint or market rate for the position;
- b. **Internal Equity:** a criterion that takes into consideration the relationship of one employee's salary to the salaries of other employees who have comparable levels of education and experience and perform similar duties and responsibilities, within a work unit, division or agency;
- c. **Work Experience/Education:** a new hire's relevant work history and academic qualifications as related to the job;
- d. **Knowledge, Skills, and Abilities:** special qualifications, competencies, and/or prerequisites needed to successfully perform the tasks required of a job;

- e. Recruitment/Retention Issues: issues related to jobs that may warrant higher salaries because of difficulty in recruiting or retaining employees with qualifications or credentials that are highly sought after.
2. Pay ranges are divided into quartiles in order to aid in determining employee hiring rate placement within the prescribed salary range. There are four points in the range to consider:
- a. Minimum: is the entry point for a grade and is appropriate for someone who is new to the position, when there is an abundant supply of talent, and low turnover;
 - b. 1st Quartile: is the progress point for a pay range and is usually appropriate for someone who is experienced and performing all the duties of the position, or when there are challenges in the supply of talent, and some turnover;
 - c. Midpoint: is the advanced point (midpoint or market) and is usually appropriate for a seasoned employee who is performing competently in their job over many years, or when there is a limited supply of talent, and significant turnover;
 - d. 3rd Quartile to Maximum: is the point up to the maximum for a grade that is usually appropriate for an employee with a level of experience and expected performance that will significantly exceed both the requirements of the job and the performance of most other employees. Hiring at this rate should be rare and factors such as a scarce supply of talent, and critical turnover should be considered.

Employees hired at the first level of a career progression group should not typically be hired on 6.5(g) since the minimum qualifications for the majority of first level jobs require no experience. In order to justify a 6.5(g) payment an applicant must have extraordinary job-related qualifications, which would likely qualify the applicant for the cap of the career progression group.

Minimum	1st Quartile	Midpoint	3rd Quartile to Maximum
<p>Meets minimum qualifications</p> <p>No prior experience</p> <p>Requires additional training to build knowledge and skills</p>	<p>Previous related experience</p> <p>Demonstrated ability to perform duties</p> <p>May require additional training to perform duties independently</p>	<p>Subject Matter Expert</p> <p>Exhibits broad and deep knowledge of job and related areas</p> <p>Senior-level job expertise with no training required</p>	<p>Hiring above the midpoint/market should be rare, but may be justified by the following:</p> <ul style="list-style-type: none"> -Difficult to recruit applicants to the position -Highly qualified with industry leading expertise -Sought-after educational background or certifications

3. Provisions of Rule 6.5 (g) in hiring

- a. Provisions of Rule 6.5(g) can be used for a candidate only upon probation or job appointment.
- b. Pay can be set under Rule 6.5(g) above the minimum but not to exceed the midpoint of the pay range for the job.
- c. The employee may be paid upon hiring or at any time within one year of the hire date.
- d. If paid after the hiring date, the pay change must be prospective.
- e. Extraordinary qualifications/credentials must be verified and documented as job related. The Appointing Authority shall verify any extraordinary qualifications/credentials which his request for a higher minimum salary upon appointment of a candidate will be based.
 - i. Any request for pay to be set above the minimum under Rule 6.5(g) must be submitted on a Personnel Action request form by the Appointing Authority with verified credentials attached and with written justification for the requested pay. The Appointing Authority must approve the requested salary before it is officially offered or paid.

- f. In requesting similar pay adjustments for current employees occupying affected job titles and who possess the same or similar qualifications/credentials, the Appointing Authority will verify those superior credentials in the same manner as for a candidate.
 - i. Upon approval by the Appointing Authority, salaries of current employees who occupy positions in the affected jobs and possess the same or substantially similar qualifications may be adjusted up to but not to exceed the amount of the percent difference between the special hiring rate and the regular hiring rate. The same verification process used for the applicant is required, and formal documentation must be created and available for audit.
 - ii. Such adjustments shall only be made on the same effective date that the higher rate is given to the newly hired employee.
 - h. If an employee with permanent status resigns and is then rehired into either the same position or into the same job title or a job with a lower maximum at the same agency, the employee shall not be eligible for an increase under this rule unless there has been a break in service of at least 30 days.
 - i. If an employee with permanent status resigns and is then rehired into a job with a lower maximum at any other agency, the employee shall not be eligible for an increase under this rule unless there has been a break in service of at least 30 days.
 - j. Requests for exceptions to this rule must be approved by the State Civil Service Commission.
4. Procedures
- a. **Prior** to a conditional offer of employment, Unit Heads shall request the approval of the Deputy Secretary/designee.
 - b. The request shall be routed directly to DPS/HR for technical and procedural review by emailing OJJ-HRdocuments@LA.GOV. If all documents are in order, the request shall be forwarded to the Deputy Secretary/designee for review and approval.

- c. A request for approval of this pay consideration from the Unit Head shall include:
 - i. A description of the extraordinary qualifications/credentials above and beyond the minimum qualifications and how these qualifications/credentials are job related.
 - ii. A description of the circumstances applicable to the unit which necessitates the hiring of the applicant at an advanced rate of pay (i.e. recruitment difficulties, inadequate pool of applicants, unique job type, etc.).
 - iii. The base pay amount the Unit Head is proposing to pay the applicant, up to but not exceeding the midpoint, and a description of the how the payment amount was determined.
 - iv. A cost projection from the Undersecretary (above and beyond that amount budgeted for salaries of these positions) for implementation and to certify that sufficient funds are available.
- d. The Unit Head may receive approval prior to the hire date and wait up to one (1) year to implement the approved pay increase. If payment is made after the date of hire, the pay shall be prospective.
- e. DPS/HR office shall:
 - i. Provide certification that the extraordinary qualifications or credentials have been verified and documented as job related.
 - ii. Verify that the proposed rate does not exceed the midpoint for the affected job and describes how the rate was calculated.
 - iii. Provide a list of names and salaries of all probational and permanent employees in the unit who occupy positions in the affected job title / career progression group and those who possess the same or equivalent verified qualifications/ credentials.

- f. For those requests submitted and approved by the Deputy Secretary/designee, the salaries of all current probational and permanent employees in the affected unit who occupy positions in the affected job and possess the same or equivalent verified job-related qualifications/credentials, may be adjusted by the same percentage as the applicant, effective the date the applicant is hired.
- g. If the circumstances of the hire rate are not unique to the unit, the Deputy Secretary/designee may expand the pay adjustment (described above) beyond the boundaries of the unit to include all applicable probational and permanent employees of YS.
- h. Documentation of verified qualifications and credentials shall be maintained at DPS/HR, along with correspondence related to the Unit Head's request. Copies of all related documents and correspondence shall be attached to the original letter of request from the Unit Head and emailed to OJJ-HRdocuments@LA.GOV.
- i. DPS/HR shall assist the units to ensure that hire rates of subsequent new hires who possess similar extraordinary qualifications and/or verified credentials shall be consistent with those employees approved under Rule 6.5 (g).

F. Attainment of an Advanced Degree

In accordance with CSR 6.16 (h), YS Policy No. A.2.69 outlines the established guidelines for permanent classified employees of YS to receive a base pay increase of up to ten percent (10%), for the attainment of a job related Master's Degree, Ph.D. or the equivalent (i.e. JD, MD, Ed. An employee using annual leave is not eligible for pay differential.

2. Such payment shall be made on the same frequency and manner as the employee's regular state pay, unless other voluntary arrangements are made.

Requests to work overtime must be approved in advance by an employee's immediate supervisor. Under no circumstances should overtime which requires the payment of wages be permitted unless and until the supervisor authorizing such overtime has confirmed the availability of funding. 1. To maintain market competitiveness, employees in active status six months prior to the disbursement date, except for those serving as classified When Actually Employed (WAE) employees, shall be granted a market adjustment.
2. The amount of base pay adjustment shall be as follows:
 - a. If the employee's hourly rate of pay is fixed at a point from the minimum up to the 1st quartile of his pay range, his pay shall be increased by 4%.
 - b. If the employee's hourly rate of pay is fixed at a point above the 1st quartile up to the midpoint of his pay range, his pay shall be increased by 3%.

- c. If the employee's hourly rate of pay is fixed at a point above the midpoint up to the 3rd quartile of his pay range, his pay shall be increased by 2%.
 - d. If the employee's hourly rate of pay is fixed at a point above the 3rd quartile up to the maximum of his pay range, his pay shall be increased by 2%.
3. All increases herein authorized are subject to the requirement that no employee's pay shall exceed the maximum rate of pay established for the job.
4. Any adjustment or increase which an employee receives under the provisions of other rules, unless otherwise indicated, shall not affect such employee's ability to receive increases authorized under this rule.
5. An employee who has a current official overall Performance Evaluation of "Needs Improvement/Unsuccessful" or equivalent shall not be granted any increase under the provisions of this rule.
6. For all employees on detail to special duty, the market adjustment shall be calculated based upon the authorized rate of pay in his regular position. The employee's rate of pay while on detail shall be recalculated based on his new rate of pay in his regular position.

An appointing authority may, for rational business reasons, request an exception to this rule from the Commission.

NOTE: As long as an employee was employed in a classified appointment, other than WAE, six months prior to the disbursement date (January 15) and is employed on July 15, the date of disbursement, the employee would be eligible for a market adjustment. The employee must also not have received an unsuccessful performance evaluation.

STATEMENT OF AGREEMENT OR UNDERSTANDING Compensation for Overtime Work

I, _____, understand that agencies of the State of Louisiana have the option of granting compensatory leave for overtime hours worked.

NON-EXEMPT EMPLOYEES: In cases where the Fair Labor Standards Act applies, such leave will be credited to non-exempt employees at the rate of one and one-half hour for each hour worked. For overtime hours worked during weeks when leave is taken (with or without pay), or when holidays are observed, the agency may opt to use straight-time cash payments or hour-for-hour compensatory leave to compensate non-exempt employees, in accordance with the Rules of the Department of State Civil Service.

EXEMPT EMPLOYEES: Agencies have the option of granting no overtime compensation at all to exempt employees; but if the agency chooses to compensate exempt employees for overtime, the agency may choose to compensate such employees with compensatory leave rather than cash payment.

PAYMENT OF COMPENSATORY LEAVE UPON SEPARATION:

- **NON-EXEMPT EMPLOYEES:** I also understand that non-exempt employees shall be paid upon separation for any time and one-half compensatory leave earned for overtime, as required by the Fair Labor Standards Act. Other straight, hour-for-hour compensatory leave shall be paid upon separation in accordance with Civil Service Rule 21.12.
- **EXEMPT EMPLOYEES:** Compensatory leave credited to exempt employees may or may not be paid upon separation in accordance with the applicable Civil Service Rules. Any such compensatory leave that is not paid, shall be cancelled, in accordance with the applicable Civil Service Rules.

I have read the above and agree to accept compensatory leave as compensation for overtime work.

3. Has the job description been updated?

4. Were any duties removed to facilitate this new duty? If so, which ones?

5. Will the duties be permanent or temporary?

6. What percentage of time are the additional duties allocated?

7. Would you consider the duties to be lower, higher, or the same level as the duties performed in the current job?

This may include an assessment from the employee's manager. If a delegated agency, a HR assessment must be included.

8. Does this result in some savings for the agency? If so, how? What are the projected dollar savings?

9. Will the employee have to learn new skills and/or competencies? If so, please explain.
