I. AUTHORITY:

Deputy Secretary of Youth Services (YS) as contained in La. R.S. 36:405. Deviation from this policy must be approved by the Deputy Secretary.

II. PURPOSE:

To establish the Deputy Secretary's policy regarding escorted leave for therapeutic purposes and incentive based rewards for youth.

III. APPLICABILITY:

Deputy Secretary, Assistant Secretary, Undersecretary, Deputy Undersecretary, Chief of Operations, Probation and Parole Program Director, Secure Facilities Director, Executive Management Advisor, Regional Directors, Facility Directors, Regional Managers, Contracted Health Care Provider (CHP), and Intensive Residential Contract Providers.

Facility Directors are responsible for compliance with the established guidelines outlined in this policy.

IV. POLICY:

It is the policy of the Deputy Secretary that escorted leave may be approved by the Facility Director, and granted to a youth for a therapeutic purpose and/or an incentive based reward, including the opportunity to visit with family before the release date to set realistic goals and expectations; to show youth acceptable and socially appropriate behavior, allow youth to participate in training opportunities, and to participate in special events in the community. Family emergency absences are permitted for visits of terminally ill family or attendance for special, private family viewing and/or visitation of a deceased family member. The Assistant Secretary may grant special permission for a youth to attend funeral services.

V. DEFINITIONS:

Detainer – A warrant placed against a person in a federal, state, or local correctional facility that notifies the holding authority of the intention of another jurisdiction to take custody of that individual when he or she is released.

Escorted Absence - A temporary absence authorized by the Facility Director, in which a youth is escorted off-campus by qualified personnel for a therapeutic purpose.

Family Emergency Absence - An escorted absence prompted by the death or life-threatening illness or injury of a family member or legal custodian which is beneficial in meeting the needs of the youth and family.

Individualized Intervention Plan (IIP) – Initial and Formal – A statement of goals, objectives, and methods used to obtain them that is created for each youth in secure care. The IIP is dynamic and is updated depending on the identified needs and specialized treatment required while in secure care. The IIP also identifies follow-up services needed by the youth on release and is coordinated with Community Based Services to provide the proper level of aftercare.

Juvenile Justice Specialists (JJS) – Provide security of youth and assist in application of clinical treatment in accomplishing the overall goal of evaluation and/or treatment of individuals placed in a YS secure care facility.

LAMOD- A philosophical approach utilized by OJJ to engage, work with and treat youth, families and communities. One of the core principles is the group treatment process.

Qualified Personnel - Employees approved by the Facility Director who have completed safety training provided by OJJ Staff Development personnel, including at a minimum, State Travel Guidelines, Defensive Driving, Supervision of Juveniles and Safe Crisis Management. An employee who has not completed these classes shall not be allowed to escort youth off campus.

Therapeutic Purposes - Educational, recreational, training, religious, special events, family reintegration or to serve as an incentive (refer to YS Policy No. B.2.7). Escorted absences for family reintegration allows a youth to meet with family prior to release, and to set goals for return to the community. Youth may participate in sports events at OJJ facilities or attend church services at various churches. Escorted absences may also serve as an incentive for compliance with treatment goals and also to encourage positive behavior as outlined in the LAMOD program (refer to YS Policy No. B. 2.7).

Unusual Occurrence Report (UOR) – A document that must be completed by staff to report incidents or observations of events that may have an impact on any aspect of the agency. UOR forms shall be made available to all employees, working all areas at all times. Employees must complete and submit a UOR prior to the end of their tour of duty on the day the incident was observed or comes to the employee’s attention in any way. If a UOR form is not available, the employee must use any paper available to report the pertinent information. UORs may also be submitted by email. (Refer to YS Policy No. A.1.14)

VI. FAMILY EMERGENCY ESCORTED ABSENCES:

This type of escorted absence may be granted to a youth by the Facility Director in the event of a death or a life-threatening illness or injury to a family member or legal custodian. In the event of a death, the Facility Director may grant approval for attendance for a special, private viewing with the family only. Exceptions for special consideration shall require approval of the Assistant Secretary in order for the youth to attend the funeral services, which shall be documented on the “Escorted Absence Request Form” [see Attachment C.4.7 (a)].
