V. POLICY:

It is the Deputy Secretary's policy that mental health and treatment services are provided to youth in the custody of YS, who are placed in a detention facility pending secure or non-secure placement.

VI. PROCEDURES:

- A. Probation and Parole Officers/Juvenile (PPO/Js) are required to make monthly face-to-face contacts with youth placed in a detention facility pending secure or non-secure placement. (Refer to YS Policy No. D.10.4)

The purpose of the monthly face-to-face contact is to discuss issues such as adjustment to the facility, legal charges and disposition, reason for placement, family dynamics and any other issues/problems the youth may be experiencing.

After meeting with the youth and facility staff, PPO/Js shall make a referral to the appropriate CBS Social Service staff if one of the following circumstances exists (refer to YS Policy No. D.15.3 for information about the delivery of treatment services by Social Service staff):

1. The youth is at probable risk of being a danger to self or others, such as a suicidal attempt/gesture or an attempt/gesture to inflict bodily harm on others;
 2. The youth has severe behavioral disturbances which results in physical restraint by detention staff (to also include significant injury received by youth and/or detention staff);
 3. The youth's total refusal to participate in the program;
 4. A request for removal of the youth by detention staff; or
 5. Successful/attempted escape or apprehension.
- B. PPO/Js shall complete the "Referral to Community Based Program" form in JETS to make the referral identifying any presenting problems. The form shall be forwarded to the appropriate CBS Social Service staff within 24 hours of contact with a youth, along with a copy of any psychological/psychiatric evaluations available.
- C. Within 24 hours of receiving the referral, excluding weekends and holidays, the CBS Social Service staff shall make a face-to-face contact with the youth to assess the situation. If it is determined that the youth is at probable risk of being a danger to self or others, such as a suicidal attempt/gesture or an attempt/gesture to inflict bodily harm on others, the CBS Social Service staff shall initiate a "No Self Harm Contract" [see Attachment D.10.34 (a)] and a "Safety Plan" [see Attachment D.10.34 (b)] with the youth.

CBS Social Service staff shall contact detention facility staff to discuss the youth's current presenting problems, severity of problems, and needs of the youth, and an appropriate "Response Plan" [see Attachment D.10.34 (c)] shall be developed in collaboration with facility staff. The "Response Plan" shall determine how CBS Social Service staff will provide direct clinical services.

The CBS Social Service staff shall complete a narrative entry in JETS within 24 hours of contact with the youth and detention facility staff, outlining all aspects of the initial assessment and "Response Plan".

- D. If an amicable solution/plan is reached, CBS Social Service staff shall verbally inform the PPO/J of the “Response Plan”. The PPO/J shall be responsible for reviewing the narrative entry outlining the assessment and “Response Plan”.
- E. If at any time a resolution cannot be reached, the CBS Social Service staff shall inform the placing Regional Manager and PPO/J of their findings. A staffing to determine the most appropriate course of action shall be held within 24 hours of notification to the Regional Manager, excluding weekends and holidays

The Regional Manager shall notify the Regional Director of the “Response Plan” recommendation to transfer the youth to another youth center/facility/placement/detention. The PPO/J shall notify the court and the youth’s family whenever a youth’s location/placement changes.

- F. There may be times when CBS Social Service staff is required to provide individual counseling services to the detained youth pending placement.

These circumstances exist when the following occurs:

1. The judge recommends that a youth receive a specific type of treatment/service by a CBS Social Service staff until he/she is transferred to a permanent placement; or
2. The Regional Manager request a youth is followed/monitored due to severe mental or behavioral issues.

CBS Social Service staff shall conduct an assessment within 24 hours, excluding weekends and holidays, of receiving the referral from the judge or Regional Manager and initiate services based on the assessment.

The frequency and duration of these services are predicated on the assessment and/or recommendations of the judge and/or Regional Manager.

A case narrative shall be created in JETS by CBS Social Service staff to document the contact(s) within seven (7) working days.
